ITMU students participate in Cancer Awareness Program organized by DLF Foundation, March 17, 2015.

As part of a broad initiative undertaken by DLF Foundation in collaboration with the World Health Trust (WHT), a Cancer Awareness cum Screening Program was organized to commemorate International Women’s Day, on 17th March, 2015. The camp was set up in the atrium of building 10A, Cyber City, Gurgaon and witnessed large scale participation owing to the Foundation’s exemplary efforts in spreading the word on Breast Cancer Awareness. The event was a one day affair, from 10 am to 6 pm during which seminars and discussions were conducted and attended by medical experts who elucidated upon the invasiveness of this affliction, especially in working women and adolescent girls.

Student volunteers from the School of Law, ITM University, contributed significantly towards the dissemination of information on Breast Cancer, by distributing pamphlets and educating women on the subject in various MNC’s in the vicinity of Cyber-city.
