

Entre Thrust - An E-Cell Event

The E-Cell of the University organised the **EntreThrust** in which the *PowerPoint Impact* competition was the major attraction, organised on 31st Mar, 2017. The objective of this competition was to allow the participants expand their imagination.

It was one of its kind wherein participants, from different departments, were allowed to come up with their best, on the spot, without being restrained by any boundaries. It culminated with Arjun Rishi and Aarushi Gilotra (BBA, 2nd semester) being declared as the winners.
