PPI by Alumni of CSE/IT Department for current students

The Alumni Cell and Industry Institute Interaction Cell of Department of CSE&IT organized the first phase of Pre Placement Interviews for 3rd Year Students on 30 January 2016. A total of seven alumni from various industries like Infosys, Cadence Design Systems, Adobe, etc. conducted the interview process. Each expert interviewed 7-8 students of the total of 57 students and gave scores on essential parameters like attitude /skills and knowledge. Students were given the detailed feedback after the session. The experts also counseled them in their areas of improvements and weaknesses.

The feedback from alumni was that most of the students were confident and had good knowledge of subjects. However, they need some direction and motivation. Core subjects need to be grilled more. Students need more industry exposure and should focus on new technologies.

A note of appreciation from the students is reproduced below:

We, the CSE/IT students, would like to extend our sincere thanks to alumni, Nitin Verma, Ankit Aggarwal, Karamvir Bindra, Puneet Madan, Vidhu Sharma, Tarun Gauba and Shubham Jain, for taking out time from their busy schedule and coming to their Alma mater, THE NORTHCAP UNIVERSITY, Gurgaon. The Department has conducted first phase of Pre Placement Interviews and they have devoted their valuable time to help us in the first step towards a successful career. We, the third year students highly appreciate their efforts. These PPIs are definitely going to help us in our final interviews and we will sure be in a better position to select the right job.
