Discover The NorthCap University

Established in 1996, formerly known as ITM University, The NorthCap University is a progressive multidisciplinary university located in the city-centre of Gurugram, Haryana. The university's rich heritage of 30 years, 13,000+ alumni and a robust academic infrastructure enables deep linkages with government, industry and research bodies. The university operates multiple schools and departments in its state-of-the-art urban campus and hosts a diverse student body of engineering, technology, management, liberal arts, law, media & entertainment, business and applied science aspirants.

NCU is recognised by the University Grants Commission (UGC) and accorded 12 (B) status. It is also recognised by the Bar Council of India (BCI). NCU is a Member of the Association of Indian Universities (AIU), a Member of the American Society for Quality (ASQ) and is accredited by Accreditation Services for International Colleges (ASIC), UK, as a 'Premier Institution.' With a 5-Star QS Ranking for Teaching, Employability, Academic Development, Inclusiveness & Online Learning, NCU ranks among the Top 30 Best Performing Universities as per ARIIA rankings.

NCU is a National Assessment and Accreditation Council (NAAC) Grade 'A' accredited university that serves as a research as well as talent catalyst between students and industry. Guided by eminent academicians and industry leaders, it follows an immersive pedagogy to deliver undergraduate, postgraduate as well as doctoral programmes. With an extensive network of international university partners, NCU offers students the chance to engage in global semester exchanges, twin and dual degree programmes and cutting-edge research collaborations for unparalleled academic and cultural enrichment.

3 YEARS OF
EXCELLENCE

NCU places great emphasis on academic excellence, research, innovation, entrepreneurship and creativity. Our quality benchmarks include the coveted overall rating of DIAMOND from QS-I GAUGE along with Platinum Badge for Engineering, Gold for Management, and Gold for Law.

Highly Competent Faculty, Global Education Standards

Guided by eminent academicians, industry leaders and judicial stalwarts, NCU follows an immersive pedagogy to deliver undergraduate, postgraduate as well as doctoral programmes. NCU has 25+ global partners across countries including the US, UK, Japan, Taiwan, Malaysia, Brazil, Mexico, Canada, and Australia, offering dual degree pathways, joint research, and faculty-student exchange opportunities.

Academic Excellence, Centres of Excellence

At NCU, academic rigour and discipline are at the core of our educational ethos, driving excellence in every field. Our industry-aligned curriculum, delivered by expert faculty, fosters critical thinking, innovation, and practical learning. With advanced technology, research opportunities, and industry collaborations through Centres of Excellence, NCU ensures excellent career outcomes, empowering students to thrive professionally and contribute meaningfully to society.

Career Development Support

Offering excellent placement and career development support, our experts provide insights and mentoring on evolving changing industry trends to ensure strong career prospects. We offer industry-best placement opportunities to our graduates. With over 250 placement partners visiting us regularly, we enable our students to begin global careers right after campus.

A Safe, Vibrant Campus

With state-of-the-art facilities, NCU is committed to creating a positive learning environment for its students. We prioritise our students' wellbeing by offering them excellent infrastructure, latest tech tools, library services, on-campus cafés, sports and gym facilities, as well as healthcare spaces.

Our Programmes at a Glance

School of Engineering & Technology (SOET)

Join the ranks of successful engineers by enrolling at the School of Engineering and Technology (SOET). Every programme at SOET emphasises critical thinking, innovation, and leadership development. With a rich history of quality education and a focus on a student-centric curriculum, SOET offers a blend of theoretical knowledge and practical application through its two academic departments:

1. Dept. of Computer Science and Engineering (CSE)

BTech CSE - Artificial Intelligence & Machine Learning | Cyber Security & Forensics | Semiconductor Technology
Full Stack Development | Data Science | IoT & 5G | Cloud Computing | Blockchain | Gaming, Augmented Reality
& Virtual Reality | Quantum Computing in AI

BCA - Web Application Development | Mobile Applications

MCA

MTech CSE - Data Science | Cyber Security & Forensics

PhD

2. Dept. of Multidisciplinary Engineering (MDE)

BTech ECE - **Semiconductor Design & Technology (with IIT Mandi, NSDC)**

MTech CE - Structural Engineering | Construction Engineering & Management | Environmental Engineering

MTech ECE - IoT & 5G | Semiconductor Technology

MTech ME - Thermal Engineering | Mechanical Engineering Design | Production & Industrial Engineering

Electric Mobility

PhD

School of Management & Liberal Studies (SOM & LS)

Over the past decade, the School of Management & Liberal Studies at NCU has become one of the top management and liberal arts schools in NCR. SOM & LS' success is due to its proactive, innovative, and supportive approach, which is reflected in the actions of its students, faculty, researchers, and academic partners. The school stays up with global economic trends and government views to create a positive and innovative environment for our students.

Centre for Language Learning

Falling under the aegis of SOM & LS, the Centre for Language Learning employs novel methodologies to encourage appropriate use of language in order to reconcile the varying demands of communication in the modern socio-economic milieu. The department prides itself in teaching foreign languages courses in German, Spanish and French to all students.

Programmes Offered

- **BBA**
- **BBA Digital Marketing | Business Analytics | Entrepreneurship & Family Business**
- **BCom (Hons)**
- **BCom (Hons) Financial Markets**
- **BA (Hons) Psychology | Economics | English**
- **MA English**
- **MA Psychology** - Clinical Psychology | Organisational Behaviour | Applied Psychology
- **PhD**

School of Business (SOB)

 schoolofbusiness.ncuindia.edu

The School of Business at NCU prepares students to excel in a rapidly evolving global business environment. Through global immersion, live projects, and emerging technology training, the school fosters industry-ready professionals who can embark on their corporate journeys with confidence.

Strategic partnerships with institutions like George Washington University and University of Illinois enable dual degree pathways, while robust placement support and individual development programmes drive strong career outcomes. SOB is committed to shaping the visionary leaders of tomorrow.

Industry-ready Programmes Offered

- **MBA** - Human Resource/Finance/Marketing
- **MBA** - Business Analytics

School of Law (SOL)

The School of Law at NCU is dedicated to providing students with an expansive clinical legal education that prepares them for the future of law. Programmes offered emphasise the development of skills necessary for transnational legal practice and for navigating the new challenges presented by globalisation. SOL prioritises interdisciplinary legal education, innovation, real-time practice, and quality research. The school is committed to adhering to contemporary standards and has proven to be a prominent institution for legal education in the country. With a focus on nation-building through strong ethical and legal values, the school aims to advance political, social, and economic justice and become a top choice for students, faculty, employers, and collaborators.

- **BBA LLB (Hons) 5-Year Integrated**
- **LLB (3-Year)**
- **LLM (1-Year)** - Corporate Law | Human Rights Law | Intellectual Property Rights
- **PhD**

Centre for Distance and Online Education (CDOE)

Through innovative learning pedagogies, CDOE offers students the opportunity to pursue UGC-DEB-approved 3-year online degree programmes. Offering a future-ready curriculum, flexible learning schedules, adaptive technologies employed with personalised learning, CDOE provides education for all students who wish to learn on the go. With the proliferation of online resources and expert instructors, CDOE empowers individuals to acquire new skills, advance their careers and pursue lifelong learning opportunities.

Online Degrees Offered

- **Bachelor of Business Administration (BBA)**
- **Bachelor of Commerce (BCom)**

Centre for Media & Entertainment (CME)

NCU's media and entertainment programmes are offered in partnership with Seamedu and are designed to prepare students for the dynamic pace of global multimedia. Supported by enthusiastic and passionate faculty, CME strives to deliver hands-on learning that augments professional competence required for a successful career in the media and entertainment industries.

Degrees Offered

- **BSc - Sound Engineering | Visual Communication | Visual Effects & Animation**
- **BCA - Game Development | Media & Information Technology**
- **BA Journalism & Mass Communication**

The Only University in Gurugram's City-centre Offering a Holistic Educational Experience

An incredible campus experience awaits you at The NorthCap University. Make the best use of the opportunity to engage in a holistic campus experience. Discover your talent amidst a vibrant community of academicians and young enthusiasts.

NCU offers you a place to meet people from different backgrounds, join exciting student clubs and societies, engage in various fests, competitions and events and get involved in volunteering, sporting and cultural activities.

Student upskilling is our end goal, and we keep upgrading facilities and technology so our students achieve their education, career, and personal goals, and become active members of the community at large.

Our bustling campus is a testament to NCU's vibrant, welcoming, inclusive and safe campus culture. Come, discover your passion as part of our community of 3,500+ students and 13,000+ alumni.

NCU's International Relations Office (IRO)

Co-teaching, Immersion, Student & Faculty Mobility and Research

NCU is proud to have partnered with many reputed institutions from across the world based on four pillars embracing India's New Education Policy (NEP) 2020: Digital-First, Innovation, Internationalisation and Organisational Readiness. The university has signed a number of MoUs and has entered into many collaborative partnerships with international universities to promote:

- Exchange of information, experience & culture
- Student exchange programmes
- Short and long-term exchange of faculty members
- Collaborative research
- Summer internship & immersion programmes for students
- Dual degrees

NCU's Global Education Partners

Placement Support from Centre of Professional Attachment & Alumni Engagement (CPAA)

With over 250+ partners, NCU has a strong track record of placements across all schools and departments. As one of the top multidisciplinary universities in Gurugram, we have a robust network of industry and alumni, managed successfully by CPAA. The centre helps students secure jobs in leading organisations by:

- Enhancing employability skills
- Improving industry internship opportunities
- Providing continuous career counselling and gap analysis
- Facilitating higher-quality job placements with broader industry reach

Marquee Placement Partners

Future-Forward Approach with Centres of Excellence, Labs & More

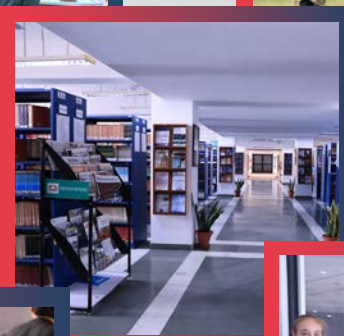

NCU boasts of modern and contemporary smart classrooms, data centres, and AR/VR labs, which truly make NCU a 'digital-first' campus of choice for higher education in the region.

"I am so grateful to have been a part of NCU. It was an incredible journey filled with growth, opportunity, and community. Having earned a place on the Dean's List whilst securing an opportunity at Fidelity International was not just a recognition of my academic achievements but a constant reminder to prioritise wellness and equilibrium"

Yatin Bajaj
Fidelity International

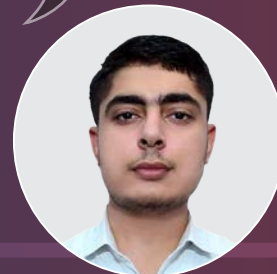

Bhavya Anand
HDFC Bank Ltd

"The knowledge and skills gained during my time at NCU have shaped my career and personal growth in ways I never thought possible. The professors at NCU are experts in their fields, and their passion for teaching is evident in every class. Securing an opportunity with HDFC Bank was one of the most life changing experience for me. I am thankful to the Placement Cell of NCU for their dedication and support throughout. I am grateful for my time at NCU and would highly recommend it to anyone seeking a quality education and transformative college experience."

"I am elated to share my on-campus placement success at EY GDS Gurgaon. This milestone was a testament to my dedication, supported by the exceptional guidance and resources from The NorthCap University. I extend my heartfelt gratitude to the Placement Cell for their unwavering support throughout the process. Their tireless efforts in organising events, providing valuable insights, and refining my skills played a pivotal role in my achievement. Joining EY GDS was a dream come true, and I owe a significant part of this accomplishment to the dedicated team at the Placement Cell. I thank them for shaping my professional journey."

Sudhanshu Bhardwaj
EY

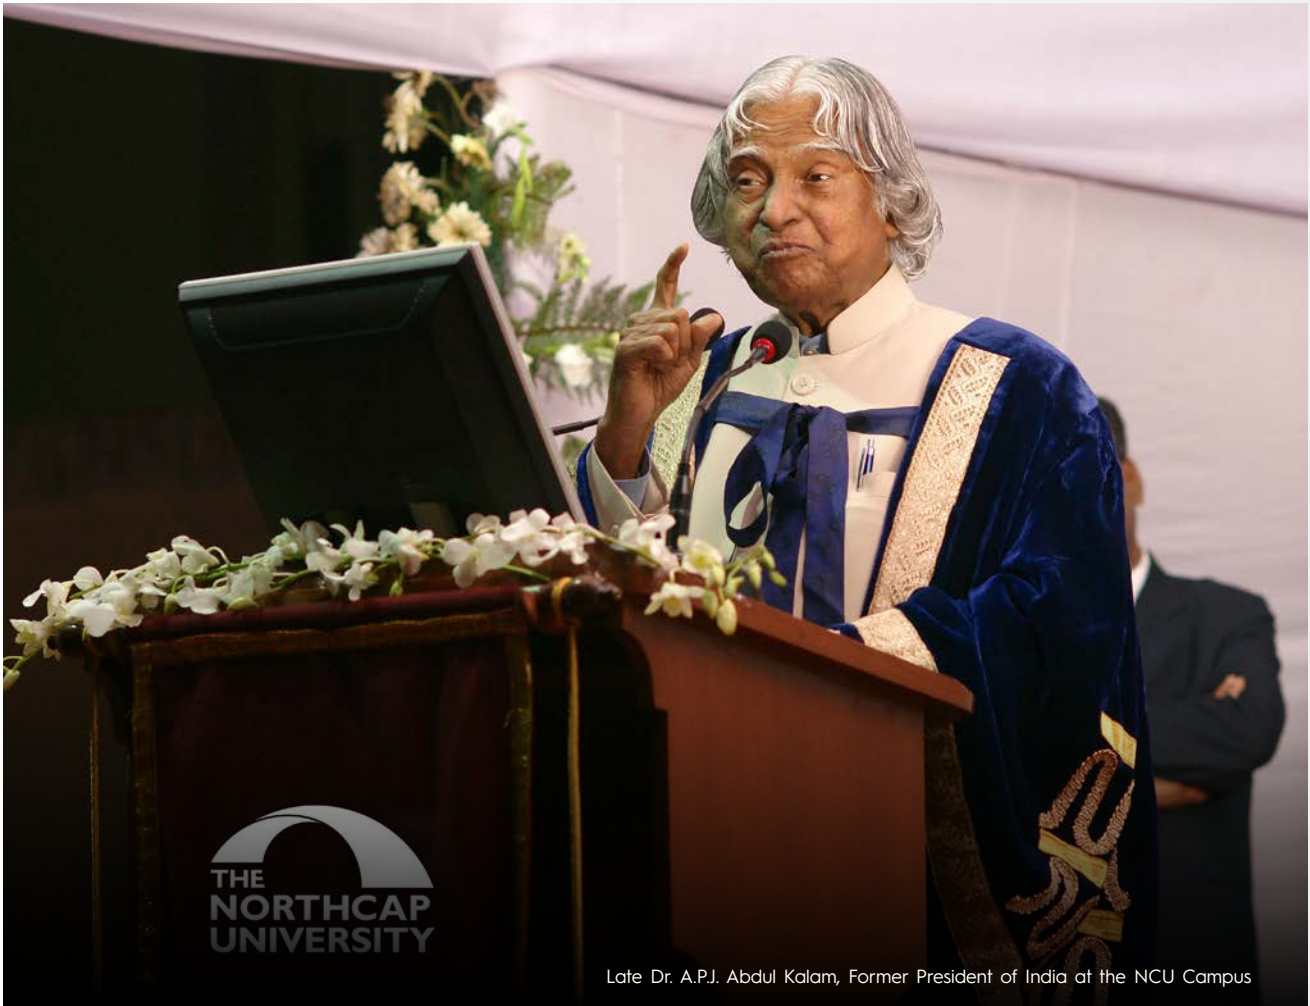

Pulkit Bhatnagar
Apple Inc., USA

"I am grateful for the opportunity to share my experience at NorthCap University. I graduated in 2012 with a degree in Electronics and Communication Engineering from the then Institute of Technology & Management (ITM), witnessing its remarkable transition to a university. NCU provides an exceptional platform to develop both technical and soft skills through extracurricular activities, societies, and clubs. This, combined with practical learning and support from dedicated faculty, ensures significant personal and professional growth. The hands-on approach and experienced faculty set NCU apart, making it an excellent choice for comprehensive learning and personal development."
