Message from the Governor

Hon’ble Mr Satyadev Narayan Arya
Governor of Haryana
Visitor, The NorthCap University

It gives me immense pleasure to welcome you to The NorthCap University, one of the most progressive and innovative places of higher learning in Delhi-NCR. Being a multidisciplinary university engaged in cutting edge research it provides life-changing opportunities to aspiring professionals in the core sectors of science and technology, management and law and prepares you for the future workplace.

In an era where new knowledge lies at the intersection of different disciplines, NCU's focus is on collaborative, multidisciplinary and integrated learning. Trans-disciplinary learning and research strategies make work more interesting, useful to society and in accordance with best global practices. In a nurturing environment we inspire innovation, encourage entrepreneurship and create a youth capital capable of transforming society. The University has global alliances with highly reputed academic institutions and industrial organizations for collaborative academic and research work as we believe in preparing leaders who can contribute to national and global economies.

Strong emphasis is laid on empowering students with intellectual skills and professional abilities that will enable them to seamlessly integrate and grow in a corporate environment. Besides academics the University provides excellent physical infrastructure and support to pursue sports, hobbies and co-curricular activities for their holistic growth and development. The University grooms students with skills for lifelong learning and continuous development, inculcates values so that they are good human beings, responsible citizens who, through their impactful work, will leave 'footprints on the sands of time'.

As a prospective student, parent or guardian I wish to assure you that if our students have the will, our team of distinguished and dedicated faculty will help them take the giant leap from the classroom to the real world and realize their dreams.

Warm regards

Welcome to The NorthCap University (NCU), a major private university of North India with a perfect blend of quality education, research, faculty, industry collaboration and practical exposure. To encourage a vibrant intellectual culture, the University has on board domain-expert faculty as well as experienced stalwarts from the corporate world as we consider that a great teacher alone can transform students through inspiration and involvement. We continuously enhance our academic capabilities and instructional skills which will enable us to maintain our expertise and currency in our respective disciplines.

We focus on quality in all its dimensions and offer innovative programmes of study and research to ensure that every student is well equipped for the opportunities in the emerging future. The entire course structure is regularly reviewed and updated keeping in view the latest developments in specific subject areas. Our challenge is to help generate ideas that will benefit society. NCU is an institution that nurtures talent and we provide our students a platform for global interaction amongst educationists and intellectuals. A balanced development inculturating right attitude and desire for learning to learn, together with sound basic technological knowledge of the domain, is our primary objective. We try to build a strong character in our students and groom them into professionals who can adapt themselves in meeting global challenges in the highly competitive world of tomorrow. We empower students to ‘work smart’ for a lifetime of personal and professional fulfillment.

Student-led clubs, social, cultural and sports activities enliven the campus and prepare you to be mentally and physically fit, so necessary in high-demanding job profiles. We nurture you to be a good human being and excel in different realms of life and prove your calibre. We inculcate in you a desire to succeed that is far greater than the fear of failure.

Well qualified and dedicated faculty, industry-ready curriculum, technologically advanced teaching modules, fructifying placement results, locational advantage for strengthening academia-industry linkages and excellent infrastructure make NCU a frontrunner in North India. The University is pioneering new ways of using online technologies to enrich the educational experience and expand opportunities for learners.

Let me assure you that whatever course of study you choose, you can be certain that it will be a life-changing experience for you. In your quest for quality education and learning I invite you to be a part of The NorthCap University and experience the excitement of success.
Message from the Vice-Chancellor

Prof. H B Raghavendra  
Vice-Chancellor & Professor

It is my privilege to welcome you to The NorthCap University (NCU), a premier University of Delhi-NCR and North India, dedicated to its vision of being known globally for academic excellence and socially relevant research outcomes. We not only keep pace with various advancements, but also strive to visualize future requirements and reorient our curricula accordingly. In a span of a few years, we have grown to be one of the foremost educational institutions in North India. The University was ranked in the National Institutional Ranking Framework (NIRF) released by MHRD in all the years 2016-2018. The NorthCap University was accredited in May 2016 by the National Assessment and Accreditation Council (NAAC) for a period of five years i.e. 2016-2021. Accreditation Services for International Colleges (ASIC), UK reaccredited the University in the category of ‘Premier’ Universities with ‘Commendable’ Grades, for 2016-2020. In Oct 2018 NCU was ranked 2nd amongst the Cleanest Higher Educational Institutions in the Country in the Category ‘University (Non Residential)’. The University won this award for Maintaining, Promoting and Encouraging the culture of ‘SWACHHTA’ in Higher Educational Institutions in the Country. NCU is recognized by the University Grants Commission (UGC) and Bar Council of India (BCI) and several prestigious awards have been conferred on the University in successive national surveys.

The University offers a wide range of professional programmes in diverse areas of Engineering, Law, Management and Applied Sciences at Undergraduate, Postgraduate and PhD levels. Our multidisciplinary programmes are contemporary with flexibility and choices featured in their curriculum design at par with international standards. We constantly update programmes and course content to meet the challenge of grooming professionals with knowledge and skills for the perpetually changing needs of the industry. We have introduced project based modular learning in a few courses in the Depts of CSE, ECE and CEE. It helps students work with industry associates on industry projects and also apply knowledge learned in their professional life, enhancing their employability. In addition, students get flexibility to choose their course options across all Schools at the University. We offer blended learning by using e-learning with regular teaching with special focus on hands-on training. Context Learning has been introduced to help bridge the divide between classroom learning and the rapidly changing real world of newer technologies. The University takes care of not only meritorious students but is also providing Value Added Courses with training modules to weak/slow learners. This is helping in improving their skill sets and makes them feel good not only at the University but also enhances their employment opportunities. To showcase students’ skills, abilities etc. to potential employers, we maintain ‘E-portfolio’ of students. It helps to identify their interests from the first year itself and encourages students to develop these areas for enhanced employability. The University recently started a Parent Information System which keeps parents informed about the progress of their wards. The University has established a Thought Lab with the aim of reducing negative energy and stress and to develop a positive attitude and improving the overall development of students and staff.

NCU has associations with many leading IITs and you can study various courses conducted by them, use IIT lab facilities through their Virtual Lab platform, take their online tests and earn certificates awarded by them. Our focus is on research so that you gain higher technical and scientific competence, to have an edge over others. The Research, Development and Industrial Liaison (RDIL) Cell, the well-equipped Central Research Facility, the Centre of Excellence, the Incubation Centre, apart from well-equipped labs and workshops will support your innovative ideas and help them materialize into reality. A Tinkering Lab is being nurtured as a central facility to encourage all students to work on projects of their interest and create artefacts that would bring them satisfaction and gain confidence.
The NorthCap University Testing Center (NCUTC) is accredited by NABL for Mechanical Testing of building materials.

A significant part of the University's overall research is undertaken in collaboration with industry partners. NCU itself also supports research students and provides related funding for equipment etc. To enhance and support innovative projects, the University provides funds from the Vice-Chancellor's Innovation Fund, which supports up to Rs 15 lacs per department for projects led by the faculty and Rs 2 lacs per project for student projects. The Best Project Awards motivate undergraduate student research at NCU. Future plans involve major investment in new, cutting edge equipment and development of research laboratories. In 2018, ten research projects for a total amount of Rs 2.36 crore have been sanctioned by funding agencies and Rs 1.40 crore have been received till date. One DST (WOS-A) project of 36.96 Lakhs was technically approved on 20 Feb 2018. In addition to these, 12 research projects have been submitted to various funding agencies. Recently the University collaborated with the National Technical Research Organization, New Delhi, for collaborative working arrangement on specific research and development projects.

The University's focus is on building and strengthening association with industries and the Government for community development programmes and for providing opportunities to students in India and abroad. Student internships are arranged in a wide spectrum of industries to make students and faculty aware about the latest developments and futuristic needs of the industry. NCU has collaborations with reputed industries such as Daikin, MACE, Space Application Centre (ISRO), IBM, Mitsubishi Electric India Pvt Ltd, Delta Power Solutions India Pvt Ltd, Beijing Wavespectrum Science and Technology Co China, CADD Centre, Power Grid Corp of India and many more.

NCU has exchange programmes with universities abroad namely ITB, Ireland; University of Chester, UK; University of Regina, Canada; Michigan Technological University, USA; University of Dayton, Ohio, USA; Shibaura Institute of Technology, Japan; MAGES Institute of Excellence, Singapore, among others. The Office of International Relationship facilitates students who want to study abroad and for student and faculty exchange.

Since we believe in the holistic development of our students, we offer our students various platforms to showcase their talent and creativity at both national and international levels. Our students get opportunities to take part in sports and other activities and have been applauded both nationally and internationally. We strive to empower our youth capital with skills, abilities and attitude that will enable them to win deals, drive decisions and go on to become leaders and influencers and determine the fate of companies.

The University has a proud record of evolving efficient, confident and highly knowledgeable technocrats, managers, entrepreneurs and legal minds with a global perspective that can contribute to nation building with a strong adherence to corporate ethics. After graduating from NCU, we support our students in placement in reputed organizations through our School of Professional Assessment. The University also has tie-ups with Professional Assessment Agencies for scientific third party assessment so as to ensure that the students get good placement offers. We have been able to achieve an enviable placement record of over 92% of eligible students, nationally and internationally.

Students find learning at NCU an invigorating experience. My best wishes to all for a challenging and fruitful journey of academic excellence and creativity at The NorthCap University.
The NorthCap University is an ambitious, dynamic and environment friendly university. We have moved a long way since we started our journey as a young institution twenty two years ago, which transformed into a university in 2009. The University prides itself in being a leading name in imparting education in various disciplines of engineering, sciences, law and management. The high quality of education, visionary leadership, dedicated faculty, industry academia collaboration along with excellent supporting facilities prepare students to accept challenges, seize opportunities and take the lead.

We educate students to become better individuals at every stage of life. We use the latest technology, e-learning, online learning tools etc. along with regular classroom learning with emphasis on practical work and hands-on training to scale up on student experience and learning value. NCU is committed to totally merit based decisions in every aspect of its operations. NCU has active student chapters of reputed professional societies like ASQ, OSA, SAE, IEL and many others so that members get an opportunity to grow, identify their individual talent and groom skills to their full potential.

The University maintains a high standard of discipline on its campus and hostel and offers a free and congenial atmosphere in a gender-equality environment with a complete ragging-free campus, conducive to learning of the highest order. We provide facilities for a plethora of activities, events, symposia etc. to encourage learning beyond the classroom and on graduating offer tremendous opportunities through stellar placements.

NCU's website provides the requisite information regarding every aspect of the University in a user friendly manner. The website and our active presence on social platforms like Twitter, Facebook, Linkedin, Global plus etc. has enhanced our connectivity at the global level. We invite you to be a part of this forward looking university as the years ahead will be the most crucial part of your education that will shape the rest of your lives.
A Premier City University
As we look to the future, one thing is certain – application of knowledge and skills will be a key resource you have to equip yourself with, to gain a passport to a successful life and career. With NCU, you get it all: innovative teaching with focus on research, curriculum that prepares you for the future workplace, strong links to global industry and world-class facilities. Our flexible study options, opportunities to study abroad and work placement programmes mean you don’t just study a course at NCU – you get a great experience while getting ahead in your career. The NorthCap University encourages education that is distinctly interdisciplinary and international. We work across disciplines and beyond the University, connecting the brightest minds to find innovative solutions to the world’s greatest challenges. We are proud to be consistently ranked amongst premier institutions of higher education in North India.

To give wings to your creative instincts, we offer you the right platform at The NorthCap University. Academic life is full of opportunities that offer mobility in the fast growing new-age verticals. Our multidisciplinary programmes are contemporary, covering a range of specialist topic areas with flexibility and choices featured in their curriculum design at par with international standards. We constantly update programmes and course content to meet the challenge of grooming professionals with knowledge and skills for the constantly changing requirements of the industry. We offer blended learning by using e-learning with regular classroom learning with emphasis on hands-on training. A real-world experience is a crucial component of our education and training. Our innovative curriculum supports sustainable development in science, technology, engineering, management and law. Independent and creative thinking is encouraged for people to interact, not just to share information but to create new knowledge. The Vice Chancellor’s Innovation Fund can financially support you in exploring your ideas in live projects. To accelerate research, innovation, quality of teaching-learning and to facilitate student and faculty exchange, NCU has collaborated with leading universities of the world. We also encourage you to become the best by participating in the activities of leading professional societies and engaging modules in personal development, communication and leadership.

Students First
To enhance student learning, ‘Students First’ is the motto and driving force behind all activities at the University. We empower our students to achieve professional and personal success, ready to change the landscape of the future. Our objective is to transform our students into not only competent professionals, but also good human beings. We believe that for a brighter tomorrow the present should be nurtured and guided in the right direction with a healthy spirit. Students learn how to learn and are constantly motivated to meet the rigours of academics. They are closely supported and mentored by a strong and progressive team of teachers and peer tutors who help them use the course concepts to acquire skills of critical thinking and problem-solving - producing students who are more mature and self-regulating learners with sophisticated learning skills. The University has over 70% PhD faculty. We have six Padma Bhushan and Padma Shri awardees and six Bhatnagar awardees associated with the University.

Excellent Placements
With a dedicated School of Professional Attachment we have been able to achieve enviable placement results both nationally and internationally. The University has a tie up with professional assessment agencies for scientific third party employability evaluation that further enhance hiring opportunities. Placements each year are around 92% of eligible students.

Flexible, Choice Based Education
Choose the academic pathway that best suits your interests and strengths, learn from the best academia and industry stalwarts, research using the best facilities, get certified by IITs, earn foreign degrees and finally get placed in your dream organization! Each year the University receives about Rs 1.5 crore for sponsored/collaborated projects. That is why you should study at The NorthCap University, an ambience conducive to learning of the highest order.

Why Study at NCU?

Thought Lab
The University has established a ‘Thought Lab’ to reduce negative energy and stress, develop a positive attitude and improve the overall development of students. Channelizing thoughts effectively will improve your experience while studying at NCU.

Tinkering Lab
To encourage you to pursue your passion, a platform in the form of a ‘Tinkering Lab’ is now available to enable you to convert your ideas into tangible outcomes.

The host universities transfer credits after students complete all requirements. Students who have cleared their first two semesters at The NorthCap University are entitled to apply.

An MoU was signed between NCU and **Maruti Center for Excellence (MACE)** in April 2018 to collaborate in the field of Training and Development of NCU students through practical and theoretical trainings and through projects during their internships. The collaboration extends to technical seminars and guest lectures also. The MoU will provide UG students of the Dept of Mechanical Engineering a platform to enhance their technical skills followed by employability.

**Association of Indian Universities (AIU)**: The University is now a member of the Association of Indian Universities (AIU). This has enabled us to refer to AIU for educational guidance to help improve standards of instruction, examination, research, textbooks, scholarly publications, participation in youth festivals or sports activities, publishing bibliographies of doctoral theses, and other such programmes as may contribute to the growth and propagation of knowledge.

An MoU was signed between The NorthCap University and **Daikin Air-Conditioning India Pvt Ltd (DAIPL)** on 26 March 2018 to establish a 'Centre of Excellence' on HVAC Systems at the University that will impart practical skill training and industrial exposure to the students on the campus. The Centre of Excellence (CoE) is a one of its kind set up by the Japanese Company – Daikin India in any educational institution in Gurugram.

**Delta Power Solutions India Pvt Ltd**, to develop and execute education and research projects, promote development of syllabi and activities that support research and development through work-integrated learning programmes – Cooperative Education. The Partnership Agreement was signed in January 2017.
ISRO: MoU between ISRO, Dept of Space, Govt. of India, Ahmedabad, and The NorthCap University for IRNSS Navigation Receiver Field Trial and Data Collection that will enhance research and innovation at the University.

Providence University, Taiwan, to undertake joint research activities and publications, participation in seminars and academic meetings, exchange of academic materials.

Association of Commonwealth Universities: We are a proud member of the Association of Commonwealth Universities and are actively participating in all its affairs. The University won the prize in the Social Outreach category in a competition held in the UK. It also bagged an Honourable Mention prize for its 2012 Annual Report.

American Society of Quality (ASQ) India Ltd: A students' chapter has been established with The American Society of Quality (ASQ) India Ltd to provide a certificate programme for students. We are the first university in India to be selected by ASQ to form a thriving Students' Chapter.

The NorthCap University has become a part of the BMW India's 'Skill Next' programme aimed at imparting hands-on expertise and practical training to automobile engineering students across the country.

Chartered Institute of Arbitrators (India): Students from the School of Law would benefit a great deal by this tie-up with NCU. While doing their BBA-LLB (Hons) course, they would be in a position to add to their professional graph in one of the most sought-after futuristic areas-the field of arbitration.

Spoken Tutorials IIT Bombay: Spoken Tutorials IIT Bombay: An MoU has been signed between Spoken Tutorial Project, IIT Bombay and The NorthCap University. The agreement helps the University in conducting software training programmes in collaboration with IIT Bombay.

MoU with American Society of Civil Engineers (ASCE), Reston, Virginia, United States for conducting ASCE's recorded / on demand webinars (with a local expert present) as well as holding conferences and continuing education activities at the NorthCap University, Gurgaon.
NCU is a unitary university situated in Sector 23-A, Gurugram, Haryana and accredited by the National Assessment and Accreditation Council (NAAC) 2016-2021. It was founded in 1996 by Educate India Society as an Engineering Institute to provide higher education in Engineering and Management. The institute gained the status of a State Private university in the Academic Year 2009-10, under Act No. 25/2009 NIRF Survey, MHRD Govt. of India by the Legislature of State of Haryana and accorded UGC approval under Section 2(f) of the UGC Act 1956. In a span of a few years, we have grown to be one of the foremost educational institutions in North India. As a testimony to this fact, we have been ranked in rank band 101-150 in the Engineering Category and in 151-200 in the University Category under National Institutional Ranking Framework (NIRF) by the Ministry of MHRD, GOI, released in April 2018 by MHRD. The NorthCap University has been ranked Second amongst the Cleanest Higher Educational Institutions in the Country in the Category ‘University (Non Residential)’. The University won this award for Maintaining, Promoting and Encouraging the culture of ‘SWACHHTA’ in Higher Educational Institutions in the Country.

The University imparts education in undergraduate and postgraduate programmes in engineering, management, sciences and law. It is recognized by various government and regulatory bodies for teaching and awarding degrees. The University is approved by the University Grants Commission (UGC) and recognized by the Bar Council of India (BCI). The University is a member of the Association of Indian Universities (AIU). Aside from being a Member of the American Society for Quality (I) Pvt Ltd, it is accredited by Accreditation Services for International Colleges (ASIC), UK.
Location
The University is located in Sector 23-A, Gurugram, Haryana, which is about 15 Kms from Indira Gandhi International Airport. It is well connected and easily approachable. It is located in a clean and pollution-free environment at about 3 Km from National Highway 8. The University’s campus is spread over 10 acres with a covered area of over 32,000 square metres which amply caters to all its academic and administrative needs. A ‘360° walk through’ on our website, (www.ncuindia.edu) will give you a virtual tour of the beautiful laid out campus.

Physical Infrastructure
The University accommodates an excellent academic infrastructure of over 60 classrooms, 18 tutorial rooms, 71 labs, 25 workshops, ample faculty cabins, seminar hall, conference rooms, a 430 seat state-of-the-art auditorium and a double basement parking.

The University has a fully air-conditioned academic infrastructure with round-the-clock power back-up. The spacious classrooms are equipped with modern multi-media teaching aids. It also has a computer centre with nearly 1000 high-end computers and the whole campus is Wi-Fi enabled. It has a 150 MBPS dedicated leased line, digital and multimedia library and networked computer labs.

The open-air Amphitheatre next to the sports ground is used extensively for various university functions and club activities. The campus provides for a variety of clubs such as the music club, photo club, judo club and the Yukti Social Club. It has sports facilities for nearly all indoor and outdoor sports. The cricket-cum-football ground is arguably one of the finest grounds in the NCR, with floodlight facilities for night sports. An air-conditioned two-storeyed cafeteria, student centre and Incubation Centre covering an area of more than 15,000 sq ft provide a unique experience to faculty and students alike. It has been designed with modern interiors and energy efficient concepts. NCU also has a branch of the Syndicate Bank with an ATM operating from its premises for the convenience of its faculty and students. The University provides hostel facilities to over 125 students. The rooms are well-furnished, and the hostels also have a 24-hour power back-up system, treated water, Wi-Fi, intercom, indoor sports facilities, a central kitchen, entertainment and recreational facilities, and a bus to convey the students to and from the University. The New Academic Block provides state-of-the-art classrooms, besides area for student activities and faculty rooms.

Environment Friendly
NCU is an environmental friendly institution. A 150 KW rooftop solar PV system with a net metering facility has been installed to provide alternate source of power to the University in line with the State and National objectives of using solar energy. In order to ensure zero wastage of water, we have installed an effective rain water harvesting system as well as sewage and waste water treatment plants. NCU is committed to the green movement and campus-wide initiatives at reducing, reusing and recycling are helping it to achieve a green code of living. The University is surrounded by lush green gardens and this is the 17th consecutive year when the University has been declared the winner of the HUDA garden competition in Gurugram.

Library and Information Resource Centre
The NorthCap University Library & Information Resource Centre (LIRC) is among one of the best Private University Libraries of Delhi-NCR. It has a collection of over 100,000 volumes (including Book Bank) in all areas of engineering, law, sciences and management and provides its users the latest and modern services like online library access to online journals and e-books, group e-mails to provide regular information and update on ‘New Arrivals’, notification through SMS/Email on every transaction etc. The Library has WEBOPAC facility which offers students the facility to reissue their books from anywhere.

LIRC has a dedicated Multimedia Library where computers have been installed for online access to international journals from various databases such as IEEE, American Society for Civil Engineers (ASCE), American Society for Mechanical Engineers (ASME), SAGE, EBSCO Business Source Elite, Manupatra, Westlaw and Tata Mc Graw Hill E-books. All these resources have IP based access and are accessible from anywhere, through remote access facility. LIRC has joined INFLIBNET Shodhganga theses repository (an initiative of
The University has a fully Wi-Fi enabled campus providing uninterrupted access to the Internet for all students. There are nearly a 1000 state-of-the-art systems connected through the NCU computer network, and students have direct access to this facility.

**Internet, Computing Facilities and ERP**

The University has a fully Wi-Fi enabled campus providing uninterrupted access to the Internet for all students. There are nearly a 1000 state-of-the-art systems connected through the NCU computer network, and students have direct access to this facility.

Committed to the automation of various academic, financial and administrative processes, the University has an advanced Enterprise Resource Planning (ERP) system based on cloud computing, through a tie-up with Digiuniv.

**Virtual Labs**

NCU is a nodal centre for Virtual Labs, an initiative of the Ministry of Human Resource Development under the National Mission on Education through Information and Communications Technology, wherein eight IITs are currently involved. The University utilizes the facilities available at the IIT labs through remote triggering.

**Learning Management System**

NCU offers an innovative learning system as a supplement to classroom teaching – an e-learning portal, the Learning Management System (LMS) which provides students with online access to the course content offered at the University and to important academic information including lecture notes, recommended reading, tutorial sheets and assignments. We want students to use this portal to prepare themselves before coming to the class, so as to have a better understanding of complex concepts.

**Faculty**

In our quest for academic excellence, we have taken immense pains to bring together a team of high calibre faculty, with a sense of dedication and social commitment, selected through a stringent screening process. The NorthCap University’s faculty is ranked highly, as a large number of them come with a rich experience of having worked in some of India’s most prestigious institutions such as the IITs and IIMs. They combine exemplary teaching skills with academic research and consulting practices and work hard to integrate classroom studies with the needs of the industry, making your educational experience relevant and timely. The criteria for appointment, retention, tenure and promotion are designed to attract educationists of the highest calibre, who continuously strive to enhance their knowledge and teaching effectiveness.

With over 160 faculty members on board, with a vast range of teaching experience in national and international institutions, we have a productive academic leadership, including emeritus professors and distinguished professionals from diverse fields. The qualifications for various faculty positions comply or exceed the prescribed standards of the UGC and the BCI. 59 % faculty members are PhDs. Many of them are qualified from premier academic institutions like the IITs. A number of senior members of the faculty will teach you in the first-year so as to give you a strong foundation while initiating you into various programmes.

**Faculty Mentoring Scheme**

Besides the large in-house fraternity, we have a rich panel of eminent professors and industry experts as visiting faculty. We also invite distinguished professionals and academics to mentor our faculty in a nurturing environment, to enrich and enhance their expertise under the Faculty Mentoring scheme. In addition to regular classroom teaching, renowned experts in various fields are also invited from time to time to deliver Guest Lectures and conduct workshops so that you get the opportunity to interact with experts and get real-life exposure.
Whilst the principal responsibility of the faculty is teaching, members are also encouraged to serve as consultants to other organizations from time to time, so as to help keep abreast with the latest trends in the environment where our students will be absorbed after graduating. Their qualifications and experience, as well as the superior teacher-student ratio contribute to the quality of education at the University. Our faculty is sensitive to your academic and developmental needs and easily accessible and very concerned about your welfare and development.

**Student Counselling**

To make you comfortable and help you easily settle down in the University, a faculty mentor will help you in a nurturing, informal yet intense relationship just as in the Guru Shishya parampara. Mentors will guide and counsel you, whenever you require, throughout your stay at the University.

**Learning @ NCU**

We ceaselessly strive to pioneer the learning processes to bring them at par with international standards. Curricula are constantly updated to keep abreast with industry trends and to ignite your mind with innovative ideas that prepare you to meet global challenges in the future. You will be exposed to real-life applications and industry interactions for practical understanding and learning.

Being a multidisciplinary university, we have taken great pains to ensure that the courses are designed not only to help you understand the core courses but also their applications in other streams. In this manner, with better assimilation, you will acquire broad based knowledge. Inculcating the desire for excellence and accomplishment through integrity, honesty and achievement is of paramount importance. To achieve excellence in research we encourage originality of ideas and approaching a subject with an open mind. We want you to innovate and conduct research in a collaborative and supportive environment. Research is encouraged not only in all the Schools but in multidisciplinary groups as well.

Concept of theory and labs has been integrated into project based learning by laboratories effectively supporting difficult and interdisciplinary experiments to complex project based learning. Lastly, you will acquire basic skills of at least one foreign language (French, German & Spanish) being all major programmes of the University.

**Programme Educational Objectives and Outcomes (PEO and POs)**

In line with the Vision, Core Values and Quality Policy of NCU, Programme Educational Objectives and Outcomes (PEO and POs) have been framed for our UG and PG programmes and rigorously followed.

**Online courses**

As part of its approach to inculcate the habit of self-directed learning in students and as mandated by regulatory bodies such as UGC & AICTE, NCU has introduced MOOCs (Massive Open Online Courses) in all its programmes across all Schools including engineering, management and law. They help impart lifelong learning skills required for healthy career growth and it is planned to scale up MOOC learning, progressively. Various online platforms, as recommended by MHRD / other agencies, such as Swayam, NPTEL and e-pathshala etc. are available to students at NCU. Students are encouraged to use well established international platforms like edX, Coursera, LINUX Foundation, MIT, Harvard etc. and earn credits for these courses through certification exams conducted by them. Facilitation sessions, blended learning and evaluation model is used as necessary.

**Online tests and assignments**

As a part of the continuous evaluation system, regular tests and assignments form a very important component in addition to the mid and end term tests. There are at least two online tests per course per semester that are conducted through a dedicated test platform OTMS (Online Test Management System) which provides a simplified evaluation system adding to your academic efficiency and building an online culture at NCU. The tests can also be conducted through the LMS platform available with each course. Students are encouraged to submit some of their assignments online. Suitable plagiarism checks as necessary are applied.

**Relative Grading and Moderation**

The University follows the rationalized relative grading system across all disciplines for fair and balanced evaluation of students. The quality bar for distinction is 8.5 and above CGPA on a 10-point scale and all courses should have been passed in the first attempt. For all academic rules and regulations visit the Dean Office and refer to relevant documents. Secondly, being a centre for higher learning, students should be prepared to attend the University six days a week (any six days) for academic and/or co-curricular activities.

**Attendance Rules**

A student is expected to attend all lectures, tutorials, practical classes and VA courses. However to account for illness, and contingencies of a serious and unavoidable nature, the attendance requirement for a student to make him/her eligible to attend the Major Test is 70%. This requirement will not be relaxed under any circumstances whatsoever.

A student not satisfying the minimum attendance requirement in a particular course will be detained in that course.

**Interactive teaching-learning and self-learning**

We follow a system of prior assignments and/or self-study. You have to self-prepare certain topics before class or tutorials, based on which you will be questioned or quizzed. For this we encourage you to use NPTEL (the National Programme on Technology Enhanced Learning) and UGC MOOCs as a resource for supplementary reading material. This system helps us to continuously improve our teaching-learning systems and processes.
Special Lecture Series
Expert talks are delivered by invited experts from outside as well as our senior faculty members on various topics so that you benefit from the expertise of experienced speakers.

Thought Lab
The University has established a 'Thought Lab' to reduce negative energy and stress, develop a positive attitude and improve the overall development of students. Channelizing thoughts effectively will improve your experience while studying at NCU.

Value Added and skill enrichment Courses
To sharpen your competitive skills and enhance your employability and make you industry-ready, we have comprehensive value-added (VA) programmes, over and above the basic curriculum. VA courses help to bridge the gap between your domain knowledge and the requirements of companies – which also include soft skills such as communication, presentation, interpersonal skills, etc.

Tinkering Lab
To encourage you to pursue your passion, a platform in the form of a 'Tinkering Lab' is now available to enable you to convert your ideas into tangible outcomes. This will help you keep your passion/interest alive while pursuing your course of study at the University.

Incubation Centre
The Incubation Centre at The NorthCap University has been established to advance research and innovation primarily in the field of software products and apps and hand-hold students who create innovative projects with commercial viability.

Extracurricular Activities
For your holistic development and to make sure that you excel in extracurricular activities, besides academics we encourage you to participate in different intra- and inter-university sports, cultural and technical events in close coordination with faculty. Throughout the academic year, the campus hosts a wide variety of activities, including guest lectures, films, musical and cultural events and other special programmes. The University has several professional hobby clubs and societies which provide opportunities for both enjoyment and the discovery of new interests and skills. These include the Computer Society of India (CSI), Association for Computing Machinery (ACM), American society of civil engineers (ASCE), Society In Pursuit Of Advances In Civil Engineering (SPACE), Indian Road Safety Campaign (IRSC), Society of Automotive Engineers (SAE), The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE), American Society for Quality (ASQ), International Society for Optics and Photonics (SPIE), Institute of Electrical and Electronics Engineers (IEEE), The Institution of Engineers (IEI), The Optical Society (OSA), Enactus, Moot Court Society, Literary Society, Music Society, Drama and Dance Society, Photography Club, Social Service Society, Sports Society and Self Development Groups. We encourage and provide support, guidance and facilities to our students to showcase their skills and talent.

Accommodation
You can get comfortable, secure, safe and healthy accommodation in NCU's hostels. There are separate hostels for boys and girls with limited capacity to accommodate students. We provide high-quality accommodation, on a shared basis, with clean and hygienic dining facilities is provided by the University. The rooms are well furnished, with a 24-hour power backup, treated water, Wi-Fi, intercom, indoor sports, entertainment and recreational facilities and a bus for your conveyance to and from the University. All hostels are provided with security guards round the clock. Accommodation is allotted on a first come first serve basis, as a limited number of seats are available.

If we are unable to accommodate you in the University's hostels, you can find alternative lodging nearby. About 30 paying guest facilities in close proximity to the campus are available for which you will need to exercise your own options. NCU plays only a limited role as a facilitator, providing a ready reckoner of PG accommodation availability in the vicinity of the campus, and has absolutely no other interest, role or responsibility to discharges other than facilitate your stay.

Transport
For the added convenience of its faculty and students, the University operates AC bus service between Delhi-NCR and the University and from the local metro stations on MG Road, Gurugram, as well as Dwarka Sector 21 Metro Station, New Delhi.

NCU Health Services
A health centre with two doctors on rotation is available on the campus. The team of qualified and dedicated doctors provide allopathic as well as homeopathic treatment. The Medical
NorthCap University has been established to leverage a unique Tinkering Lab platform in the form of a ‘Tinkering Lab’ is now available to enable you to convert your ideas into tangible outcomes. This will help you keep your passion/interest alive while pursuing your coursework at the University.

**Specially-abled Students**

Resources for specially-abled students are part of NCU’s commitment to help all such students achieve their academic potential. The University welcomes applications from students with special needs and assures them that it will provide access to all programmes for which they enrol. Special effort is made to provide opportunities for participation in extracurricular activities, and to encourage their personal development and independence. Compliance with the guidelines for students with disabilities is ensured by the University.

**Student E-Portfolio**

E-portfolio is a unique initiative of the University to identify students’ interests in the first year itself and encourage you to develop these areas. You will continue to develop this portfolio during your stay at NCU and also record your achievements and rewards using multimedia which will be showcased in your portfolio to potential employers for enhanced employability.

**Office of International Relationship**

To facilitate students who want to study abroad and for student and faculty exchange an Office of International Relationship has been set up at the University. Students are supported for credit exchange, internships and project collaborations along with faculty through frameworks of MoUs.

**Parent Information System**

The University has a Parent Information System which keeps parents informed about the progress of their wards. A portal has been set up which provides information on the academic progress and other achievements/activities of students including extra and co-curricular activities and so on. Corrective actions if required can be taken in consultation with the faculty.

**Equal Opportunities**

At NCU, we are committed to equality of opportunity to all sections of society. We welcome applications from all irrespective of caste, creed, language, gender, nationality or religion, with a potential to succeed in higher education and provide full protection and rights of participation to Persons with Disabilities as per the PWD Act of 2016.

NCU is a ragging free campus and provides a safe environment particularly to girl students.
The NorthCap University continues to nurture its ambition to be known globally for learning innovations, academic excellence and socially relevant research outcomes. It is driven by an ambition to be in the top of the league by embracing global best practices and championing the highest ethical standards.

Schools & Programmes

At the NorthCap University, we consider that unique capabilities lie in all individuals and each day we work to ensure that capability to be accomplished. Our students work side by side with their peers and with renowned faculty and researchers. Selected students study abroad, participate in internships, conduct research, lead student organizations and volunteer in communities close to home and around the world.

In pursuance of this objective, the University offers high-quality courses at the undergraduate and postgraduate levels.

The following programmes were offered for the session 2018-19:

I. SCHOOL OF ENGINEERING & TECHNOLOGY
   - BTech (4 years)
     - Computer Science & Engineering (CSE)
       - Specialization options
         1) Full Stack Development
         2) Cyber Security
         3) Internet of Things (IOT) & Cloud Computing

ADMISSION POLICY & SELECTION PROCEDURE- JULY 2019
FOR ACADEMIC YEAR 2019-20
FOR DOCTOR OF PHILOSOPHY (Ph.D.)

1. INTRODUCTION

1.1 The NorthCap University (NCU), Gurugram, Haryana has been established by the Haryana State Legislature under the Haryana Private Universities Act (Third amendment), 2009.

1.2 The NorthCap University, Gurugram, Haryana is a self-financed multi-disciplinary University recognized by UGC under Section 2(f) of the UGC Act, 1956. For all details of the University and courses run, refer to NCU website at www.ncuindia.edu. The NorthCap University has been included by UGC in their select list of approved Universities. This list of recognized Universities can be obtained from the UGC website www.ugc.ac.in.

The University has a comprehensive and transparent policy regarding Fee Structure, refund, cancellation & withdrawal policy. The Fee Structure is in compliance with Para 36(1) of the Haryana Private Universities Act 32 of 2006, while the Refund & Cancellation policy is in line with UGC/MHRD/AICTE policy on the matter as per UGC Policy No.1-3/2007 (CPP-II) dated 06 December 2016.

1.3 This policy shall be called the “ADMISSION POLICY & SELECTION PROCEDURE-2019” (APSP-2019) for admission to DOCTOR OF PHILOSOPHY PROGRAMME (Ph.D.) awarded by The NorthCap University, Gurugram.

1.4 This policy has been prepared in accordance with the First Ordinances of The NorthCap University duly approved by Government of Haryana and ensures that admissions are made strictly in accordance with merit and in line with UGC guidelines in a fair and transparent manner in the interest of all concerned.

1.5 While every effort has been made to ensure that the information contained in this document is accurate at the time of publication, all matters that it covers may be subject to change without notice. The University does not intend, by the publication of this document, to create any contractual or other legal relation with the students, their advisors or any other persons. The NorthCap University, reserves the exclusive right to change or withdraw, without notice, any statement in this document.
ELIGIBILITY FOR ADMISSION

[A] SCHOOL OF ENGINEERING AND TECHNOLOGY
(ENGINEERING, PHYSICS, CHEMISTRY, MATHS, ENGLISH)

A candidate seeking admission to the Ph.D. Programme under School of Engineering and Technology (SOET) of NCU must have obtained:
M.Tech. (Engineering) / M.Phil. (Physics, Chemistry, Maths) / M.A. (English) degree with min. 60% marks in aggregate or equivalent

OR

M.Sc. / M.A (Maths) degree with min. 60% marks in aggregate or equivalent, with NET/GATE/JRF/SLET qualified or M.Sc. / M.A (Maths) with min. 67.5% marks in aggregate or equivalent

OR

B.Tech. degree from IITs with min. 67.5% marks in aggregate or equivalent.

[B] SCHOOL OF MANAGEMENT (SOM)

A candidate seeking admission to the Ph.D. Programme under School of Management (SOM) of NCU must have obtained Post-graduation in any branch of Engineering, Management, Economics, Commerce, Operations Research or other relevant disciplines subject to approval of School of Management with min. 60% marks in aggregate or equivalent.

[C] SCHOOL OF LAW (SOL)

A candidate seeking admission to the Ph.D. Programme under School of Law (SOL) of NCU must have obtained:
Master’s Degree in Law from a recognized University with not less than 55% marks or its equivalent

OR

Master’s Degree in any discipline from a recognized University with not less than 55% marks or its equivalent; provided that candidates with qualifications in social sciences, humanities and sciences may be admitted to the Programme if the research they wish to pursue interfaces with the discipline of law with a special focus on Public Policy or Law

OR

Judge of any State High Court in India with three years’ experience or Judge of Supreme Court of India

2.1. The minimum eligibility criteria indicated above for each Programme is only an enabling clause. The concerned Doctoral Research Committee (DRC) may fix higher criteria at the time of short-listing keeping in view the number of candidates, number of seats and minimum academic / professional background expected to cope with the Programme etc.

2.2. Candidates in the final year of their Master’s Programme, who expect to complete all their qualifying degree requirements before the date of registration for the first semester of their Ph.D. Programme at NCU can apply for admission. For short-listing purposes, their performance till the preceding semester (or preceding year, if in case their Programme is year based) would be considered, but the admission would be subject to their meeting the minimum eligibility criteria after their final qualifying examination results are announced. In such cases, a letter from HoD of their current institution, certifying candidate’s Master’s Thesis submission is required at the time of Ph.D. admission. However, if the student fails in the qualifying examination or fails to produce the degree/provisional certificate/mark sheet within 3 months of the commencement of the 1st semester, his/her admission and registration to the Ph.D. Programme will be automatically cancelled with no refund of the semester fees.
2.3. Part-time candidates are required to submit a ‘No Objection Certificate’ on a proper letterhead from the competent authority of the organization in which he/she is presently working clearly stating the following:

a) The candidate is permitted to pursue Ph.D. on a part-time basis.
b) His/her official duties permit him/her to devote sufficient time for completion of coursework and carry out doctoral research.

4. **PROCEDURE FOR ADMISSION**

4.1 The candidate desiring to seek admission to Ph.D. Programme at NCU shall apply for the same on the prescribed Application Form 1 by a due date announced by NCU.

4.2 The applications will be scrutinized by the concerned Dean Office (Ph.D. Cell).

4.3 Candidates who do not have valid score in national tests like GATE, UGC-NET and SLET will have to appear in Entrance Test named ‘NCU Ph. D. Entrance Test’ (NPET) and will have the following weightage of various components for admission:

   - NPET marks – 50%,
   - Qualifying degree marks – 30%, and
   - Interview –20%

4.4 Candidates who have valid score in the above National tests shall be exempted from NPET. The following weightage shall be assigned to various components for the admission:

   - National level test score – 50%,
   - Qualifying degree marks - 30%, and
   - Interview –20%

4.5 The entrance test NPET will be of two hours duration and will be an Objective type test. Entrance Test ‘NPET’ will be held from 10:00 AM to 12 noon on the date specified by the University. For broad syllabus refer clause 21.

4.6 The NPET will be conducted centrally by Controller of Examination (COE) at NCU Campus. Room No. for NPET will be informed through University website / e-mail.

4.7 After the NPET written test, interview will be conducted (by respective Departments/Schools) on the same day at NCU 1:00 PM onwards. Rooms for interviews will be announced at the appropriate time.

4.8 Selection of the Research Fellows shall be done from amongst scholars who have qualified for admission, by the Fellowships Selection Committee. For details, please [click here](#) to download the SoP for Recruitment of University Fellows.

4.9 The candidates whose selection is approved by the Dean (Research) and Chairman BDR / Vice Chancellor will be admitted to the Ph. D. Programme after payment of prescribed fees.

4.10 In case of candidates from partnering institutions/industries, applications may be considered by the VC/BDR throughout the year, subject to the scrutiny for eligibility upon request by partnering institute.

4.11 The last date of fees submission is taken as last date of admission in Ph.D. Programme.

5. **HOW TO APPLY**

5.1 A candidate can apply online or offline. For applying offline the candidate can download the application form from the website of NCU or can obtain it from the University campus up to the last date for submission of forms specified in the Admission Notice.

For applying online, the candidate should [click on](#) Ph.D. under admission link on NCU website and fill the online form and upload relevant documents, along with application fee, paid online.

For offline, Please [click here](#) to download the application form.
6. APPLICATION FEE

6.1 An application fee of Rs. 1000/- is required to be submitted along with completely filled application form. The application form should also have self-attested photocopy of supporting relevant documents.

6.2 For offline application, the fee should be paid in cash at NCU campus or through DD in favour of ‘THE NORTHCAP UNIVERSITY, GURUGRAM’ payable at Gurugram/Delhi. For online application, e-transaction provision is given while submitting the admission form.

7. PROGRAMME FEE

7.1 Annual fee is Rs. 78,000/-; Semester-wise fee to be paid in two equal semester wise installments of Rs. 39,000/- each at the beginning of each semester (for new admissions, last date of fee submission is mentioned in clause no. 20). The annual fee is the same for full-time and part-time candidates.

7.2 Caution Money: A sum of Rs. 5,000/- will be charged from each student seeking admission to the University in the Academic Year 2019-20. The amount is interest free and will be refunded to the students at the time of withdrawal or at end of their Programme, whichever is later, after deduction of dues, if any.

8. FELLOWSHIPS & CONTINGENCY

8.1 University Fellowships to selected full time Ph.D. Scholars:

This position is only meant for full time Ph.D. scholars, who wish to carry out doctoral research at NCU. Concurrent applications for admissions to the Ph.D. Programme as well as award of University Fellowship can be made. Award of Fellowship and offer for admission will be simultaneously announced by NCU. The University Fellowship will be limited in number and made available to candidates on merit and shall be final and binding. The research scholar shall be awarded fellowship only if she/he is not receiving fellowship from any other source.

The Research Fellows are expected to do research with Faculty members, help the faculty members in their teaching as teaching assistant and support in any other academic tasks assigned from time to time. In short they are expected to be a part of the academic/research community of The NorthCap University, Gurugram.

Essential qualifications:

In addition to offer of Ph.D. admission, the candidate for award of Merit based University Fellowship should have M.Tech./M.Phil. /MBA/M. Com/LLM degree or its equivalent in the relevant discipline with minimum 60% marks or equivalent grade point average in both post-graduate and under-graduate degree levels. For Scholars under M.Sc. degree, minimum requirement is either NET qualified with 8.5 CGPA and above, or NET qualified with being a gold medalist.

8.2 Essential responsibilities:

The selected Research Fellows shall be given teaching assignments as stipulated by University/ UGC/ AICTE guidelines upto 8 hours in a week. The scholar is expected to demonstrate the visible outcome in terms of research publications in peer reviewed Journals. Atleast one publication per year in peer reviewed referred unpaid reputed journal is expected from the scholar after completion of his/her course work, within the stipulated period of one year.

Attendance: All full time candidates who are awarded University Fellowship have to regularly attend the university as per the Ph.D. rules and regulations / SOP for recruitment of university fellow. It is expected that the full time scholar shall not take any job during the period of pursuing Ph.D.

Fellowship: Rs.25, 000/- per month consolidated as per university rules.

Tenure: The tenure of appointment of Fellow will be normally for three years (excluding the approved break in studies / leave period). An extension of the tenure of the Fellow for one year at a time can be given at the discretion of the NCU, if the progress of the Fellow is found good after the three year tenure. A second extension of one year making the...
total tenure to be maximum 5 years can be given if the progress of the fellow is found good. In no case, total tenure can be more than five years. For further details refer to SOP for Recruitment of University Fellows, please click here

8.3 All full time candidates who are awarded University Fellowship have to regularly attend the University as per the Ph.D. rules and regulations. Please click here for standard operating procedure for recruitment of University Fellows.

8.4 Contingency Expenditure for Full Time Ph.D. Scholars:

The items for which contingency expenditure can be incurred are chemicals, glassware, consumables, testing charges, spare parts, pen drive, CD’s, stationary, postage, survey expenditure (with prior approval of the Director of the School/Dean of the School/VC), repairs, National conference participation expenditure /International conference outside India venue registration expenditure (keeping maximum expenditure amount limit to Rs. 25000/-) and any other item that is consumable in nature specifically recommended by the concerned Supervisor and the concerned HOD.

Contingency amount: Maximum of Rs. 25,000/- per year, subject to the availability of the funds.

15. FACULTY

The NorthCap University has one of the best and largest pools of faculty amongst Private universities in North India. Most of the faculty members hold Ph.D. degrees from renowned Indian and foreign universities and have very distinguished track record and are drawn from prestigious institutions like IITs, NITs, industry and research labs. The
faculty members have a mix of rich academic and industry experience. There is strong emphasis on good quality teaching as well as research in current areas of technology and faculty members keep themselves abreast with latest developments and are engaged in active research resulting in a large number of research publications in leading international and national journals. Some of the faculty members have published books in their specialized fields and are members of editorial boards / reviewers of reputed journals. DECLARATION CUM UNDERTAKING

I have read and understood that The NorthCap University (NCU) has been established by the Haryana State Legislature under The Haryana Private Universities (Third amendment) Act, 2009 and NCU is a Private Self-Financed University recognized by UGC and approved under Section 22(f) of the UGC Act, 1956. NCU has been included by UGC in their select list of approved Universities. This list of recognized Universities can be obtained from the UGC website www.ugc.ac.in

I have clearly understood that the functions of Admission, Course Design, Curriculum Structures, Teaching Methodologies, Examinations/ Evaluation System (Internal and External) and all other issues related thereto including but not limited to the credit/ grading system, submission of synopsis, award of thesis etc. Shall be performed entirely by the University in accordance with the guidelines prescribed in the Statute/ Ordinances/rules and regulations as approved by NCU from time to time.

I hereby agree and undertake that if admitted, I shall abide by all the rules and regulations of NCU from time to time including but not limited to attendance, course work, Internal / External Examination, evaluations, publishing research work, submission of synopsis, thesis and plagiarism policy and ethics as prescribed in NCU Ph.D. rules and regulations, matters of discipline, timely payment of fee etc. I also agree that simply paying fees and spending time do not let me become eligible to complete Ph.D. and that I need to do quality research and publish quality publications, following the rules and regulations and should meet the eligibility conditions for the submission of thesis.

I understand that compliance to NCU rules/regulations as applicable is mandatory and non-compliance may lead to cancellation of my Ph.D. registration.

I understand that my admission to NCU if at all is provisional and subject to confirmation by Chancellor.

I hereby affirm that the information furnished in the Application Form is true and no material information has been concealed. If any information is found to be false, incorrect or misleading, NCU shall have the authority to cancel my candidature/admission without any further enquiry or notice. Under the circumstances, all fee paid for whatsoever purpose shall stand fully forfeited.

I understand and agree that Ragging and/or Smoking within the premises of the University and/or its hostels are illegal and strictly prohibited. I understand that the University has a ZERO Tolerance policy for indulging in any such act and that, if I am found engaging in any such act(s) or any other unlawful act(s) directly or indirectly, besides Police/Legal Action against me, I shall be expelled from the University. In such an event my fee shall also be forfeited.

I also affirm that I have read in detail the Admission Policy & Selection Procedure July 2019 of NCU including its fee structure and the withdrawal policy before submitting this application and agree to unconditionally abide by the same.

I further undertake that the broad areas which I have opted as indicated by me in the Application Form shall be irrevocable.

I also confirm that I have read the Ph.D. Rules and Regulations of NCU.

I have clearly understood the withdrawal policy of the University and the financial impact of a mid-course withdrawal on an unaided self-financed University like NCU. Therefore, in the event of withdrawal/cancellation of my admission from PhD programme, the fees already deposited by me will not be returned to me in any form.

That the contents of this undertaking have been read over and explained to me in vernacular and I am executing the same after understanding the contents thereof.
