The Annual Quality Assurance Report (AQAR) of the IQAC **(For Universities)**

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)*

1.4 Feedback System				
1.4.1 Whether structured feedback received from all the stakeholders.				
1) Students	2) Teachers	3) Employers	4) Alumni	5) Parents
Yes(Online process every semester)*	Yes (In annual appraisal form)**	Yes, all companies visiting campus provide their feedback in a standard format available with placement office (SPA dept). This is a regular feature.	Yes, alumni feedback is collected via email, and the visit of alumni to the University by individual dept/ SPA.	Yes, feedback collected during visit of parents in the University & faculty parent interaction through phone etc.
1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)				
Student Feedback Process involves capturing feedback from the students regarding teaching effectiveness of the faculty members. The process is done through ERP during the middle of the semester though online submission in a fair and transparent manner. All faculty (Regular & Visiting) are covered in this process. The students receive a link in their ERP portal which enables them to submit feedback about the faculty who are taking their classes. The students give feedback on the following parameters:-oral communication and presentation, depth of discussion and problem solving through examples, class interaction and participation, out of class consultation, fair evaluation, co relation between theory and practical applications, attitude, punctuality and inspiration. The students give subjective ratings (marginal, satisfactory, good, very good and excellent) against each faculty. The subjective responses are then converted to scores. Eg:- Marginal=1..... Excellent=5. Once the feedback is compiled, a report is prepared by HR covering feedback analysis, summary and action taken. Observations like average feedback trend at university level and departmental level, extreme cases, individual trend etc is highlighted. The concerned details of each departments are shared with the HOD's who are requested to have one on one discussion with their faculty members. Detailed parameter specific feedback is shared with faculty members which enables them to improve upon their weak areas and facilitates better analysis of their teaching delivery.				

Faculty Feedback In Annual Faculty Appraisal form, faculty is asked for their suggestions if any assistance /support/ guidance is needed from the dept/University for their professional growth. Also, they suggest ideas for

improving any aspect of the dept/University. During their one on one interaction, this feedback is also discussed and logical steps are taken to implement them, wherever possible. The concerned stakeholders are informed and feasible actions are taken up through proper channel.

Employers SPA dept shares the feedback given employers with concerned depts. The feedback comprises of components on soft skills, technical knowledge etc. The depts take note of this feedback to improve their teaching methodology, incusing of new topics in various courses, introducing new skill based courses and incorporating other improvements suggested to ensure that the curriculums remain industry relevant.

Alumni feedback is used in improving curriculums , career guidance ,, preplacement training of students, Student counselling, project work, industry internships etc to enhance the employability of students.

Parents Feedback used to provide student specific help and guidance and counselling, particularly for slow learners. The feedback is also used for improving the academic environment & ambience at NCU as well as providing any special facilities for students.

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)		
<p>Student Mentoring program at NCU has been in place for more than five years and is well established. The objectives of this program include,, among others , to provide the first point of contact for the student for his academic and non academic problems which he/she may have at campus. The students are encouraged to freely meet their mentors for discussions and guidance as required. The mentors provide guidance to their mentees on academic issues like proper course selection including various electives , career counseling including various placement & internship options available , avenues for higher studies in India & abroad , guidance for self employment , guidance for appearing in various National & international competitive examinations and advise on various other issues of the students.</p> <p>Each student , when he/she enters the University is assigned a mentor who is normally a faculty member from his/her dept. This mentors is expected to continue with the mentee for the students entire stay period at NCU. A mentor has typically 20 mentees . The mentees are introduced to their mentors during the induction program through various interactive sessions wherein the mentors share various informations about the University.</p> <p>Subsequently , the mentors meet their mentees for a structured meeting at least once in a month at prescheduled times. The mentor mentee discussions are recorded and the issues raised to HOD level wherever required. Besides this scheduled meeting , mentees keep meeting their mentors individually whenever they need some guidance.</p> <p>The mentors also initiate their students into preparing their e – portfolios which can be subsequently used for suitable placement of students. The e portfolios also record the special areas of interest of each student which are picked up by mentors for facilitating developing these further.</p> <p>The mentor mentee program at NCU has been running well and helping the students in their career development.</p>

2.7 Student Satisfaction Survey

2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

Student's satisfaction survey is conducted every year. Standard format has been designed which is used to record students feedback. The feedback is the analysed at higher levels and follow up actions initiated through the appropriate governance subcommittees of NCU.

In addition to this survey feedback is also taken from students through School wise Class Committees which meet every semester.

Further a student think-tank has been formed comprising Deans list Students and advises the Vice Chancellor on various academic initiatives being taken/ required at the university and evolve a road forward for the University.

(ii) The NorthCap University has adopted the best practice of the global citizenship concept and involved Parents in students career development. The University has introduced a system of E-Portfolio development of each student where the development chart is drawn by the Mentor Faculty who interacts with student, parent and other teachers and encourage student take up studies in the areas of interest. Each student including slow learners are given opportunity to learn some modules viz. skill, behavior and attitude to impart lifelong learning. Further, the University has earmarked alternate Saturdays for parents to come to NCU and meet the faculty teaching their wards to keep them informed about student's progress and get their feedback and suggestions. The University has recently started a Parent Information System which also keeps them informed about the progress of their wards. Various faculty members also remain in touch with parents through e-mails/phone and get their inputs/views on various aspects of our functioning.

(iii) Participation of Alumni in Curriculum design, student project guidance, career counselling, and student placements has been enhanced by making our School of Professional Attachment nodal point for Alumni interaction with close coordination of Departments. This arrangement is helpful in regular interaction with alumni. Our alumni is also participating in setting up the Incubation Centre at NCU. Students are working on a number of innovative, socially and commercially relevant projects.

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

❖ **Curriculum Development**

Curriculum development is regular process at NCU and is done keeping in view the feedback and suggestions received from various stakeholders like students , faculty , AICTE/UGC/BCI guidelines , industry requirements etc. The revision also takes into consideration some of the best practices being followed by leading Universities. The last revision of curriculums for various programs has been done in June, 2018 which have been introduced from July ,2018 session.

The basis in this revision has been the model AICTE curriculum (Jan., 2018) and focus on enhancing employability of students , where need is to develop creative thinking , problem solving and life learning skills in students in addition to the current technology skills and other soft skills.

Some of the highlights of the revised curriculum are :

- a. More emphasis on practical work , therefore more project work introduced and credits for project work and student industry internship increased
- b. Courses on Problem Solving , creative writing , entrepreneurship introduced
- c. Foreign Language course compulsory in all programs to give global perspective to students
- d. General Proficiency course compulsory in all programs to develop & recognize out of class room development of students through co & extra curricular activities
- e. MOOC introduced in all programs to develop self directed life long learning. Virtual Labs , QEEE & Spoken Tutorial programs from IITs also integrated
- f. First year made common in BTech programs
- g. Induction program introduced for all new joining students with focus on making them comfortable at NCU and disseminating various information about University
- h. Concept of 5 theory + 2 Labs brought in all engineering programs
- i. Integrated out of class room learning like tinkering lab , incubation centre , professional society work with Curriculum
- j. Courses in Liberal studies introduced in some programs
- k. Special skill modules for slow learners and so on

❖ **Teaching and Learning**

NCU has introduced several innovations in its teaching learning process to make it more practical with employability focus . Some of these are :

- a) Context Learning where class room teaching is related to real life world and has some of these following components:
 - Covering some relevant part of syllabus in a course by Industry expert , video demonstrations , industry visits to see demonstration of concepts , mini projects , guest lectures etc.
- b) Tinkering Lab , Incubation center and thought lab which provide aa platform to students to convert their creative ideas into working models
- c) LMS system for 100% courses & other ICT tools to afford self paced learning for students
- d) Thousands of e-books & e-journals with wi fi campus for easy access to information resources ; video lectures through Swayam, NPTEL , Swayam Prabha, E-Pathshala Coursera etc
- e) Plagiarism check on all thesis work , project reports & research publications
- f) Recognizing & encouraging out of class room learning
- g) Mini projects , case study , Surveys integrated with class room teaching and so on
- h) Parent information system for keeping the stake holders informed about the progress of their wards and plan corrective measures
- i) E-portfolio development by each student to showcase his achievements to outside
- j) High emphasis on industry connect through multiple internships for students
- k) Industry live projects for students
- l) Improvement of weak students through counseling and remedial classes and so on

❖ **Examination and Evaluation**

Minimum qualifying CGPA/ CGPA Improvement Policy

Students who do not score minimum CGPA to qualify for the Degree (4.5 for UG and 5.0 for PG) have the option to take additional courses to qualify for the Degree. Students who have passed the final semester examination but score CGPA less than 6.0 (First Class) have the option to request holding of their provisional Degree pass certificate in the year of passing to improve their CGPA which would be capped at 6.0. This opportunity is available up to one year from original date of

passing and upto maximum six courses at a time or fewer upto maximum period allowed with no repetition.

❖ **Research and Development**

- Financial Assistance to faculty members for Conferences.
- Focus on Quality Publications as recommended by NIRF (Web of Science, Scopus).
- Strong emphasis on unpaid publications and discouraging paid ones.
- Procurement of 'Scanning Electron Microscope' for Central Research Facility.

❖ **Library, ICT and Physical Infrastructure / Instrumentation**

INDUSTRIAL VISITS

The department faculty members as well as the students are in close interaction with the industry. A total of 10 visits were made by the students and the faculty members. Industries like Maruti-Suzuki, RICO Auto Industries, Werardt Systems Pvt Ltd, M/s Asahi India Glass Ltd, IFB, Industries were visited by the faculty members. Student's visits were organized for Indian Meteorological Department, New Delhi, Emerson Cold Chain Centre, Gurugram etc. The details are given in Appendix 1_Industrial Visits.

1. Mr Manoj Kumar Gopaliya visited Maruti-Suzuki, Gurugram and their Manesar plant on 13 July 2017 to review the progress of industrial training of BTech ME 6th Sem students.
2. Mr Gagan Baradia and Mr Jagpravesh Dahiya visited Talbros Automotive Components Ltd, Faridabad on 5 July 2017 to review the internship progress of BTech students.
3. Mr Anuj Kr Jain visited RICO Auto Industries, Gurugram on 17 July 2017 to review the progress of industrial training of BTech, ME 6th Sem students.
4. A training session was organised for students of Mechanical Engineering (ISHRAE members) at Emerson Cold Chain Centre, Gurugram on 16 October 2017. The entire training facility was explored by the students and all their technical doubts were entertained by the Trainer, Mr Sanjay Kumar Hans. The visit was coordinated by Mr Jag Parvesh Dahiya and Mr Sanchit Mewar.
5. Prof Ojha met Mr MK Khanduja, Director, Werardt Systems Pvt Ltd, Gurugram on 26 Dec 2017 and discussed about future engagement between Werardt and NCU.
6. Prof Ravindra Ojha visited M/s Asahi India Glass Ltd (AIS), Bawal on 27Dec 2017 and met Mr Sunil Gadh, Plant Head; Mr Krishan Kumar, Head, Operations and other officials at AIS. Prof Ojha explored summer internship opportunities at AIS Bawal plant for NCU's ME students.
7. An industrial visit was organized for BTech 2nd Year students along with faculty members Ms Arohi Mathur and Mr Praveen Singh to the Indian Meteorological Department, New Delhi.
8. Dr K Mathiyazhagan visited M/s Asahi India Glass Ltd, Bawal where he saw the various ongoing projects. Dr K Mathiyazhagan also explored possibilities for summer internship and live projects for ME students at the Bawal plant.
9. Dr Rohit Singh Lather visited Goenka Electric Motor (GEM) Vehicles Pvt Ltd, Sonipat, on 1 Feb 2018 to purchase an electric axle for the Automobile Lab. He was accompanied by student Piyush, 6 Sem ME.
10. Mr Satnam Singh, Assistant Professor visited IFB, Industries, Binola Plant on 21March 2018. The purpose of the visit was to monitor the status of Live Industrial Project work by NCU students working in the Plant

WORKSHOPS AND SEMINARS

4 workshops and 2 seminars were conducted by the department in the previous year. It included topics like Efficycle, Industrial design for engineers, Virtual Labs etc. Students attended seminar on 'Journey of Science and Technology in India: A historical perspective' at National Institute of Plant and Genome Research (NIPGR) and 'Renewable Skill Development'. The details are given in Appendix 3 -Workshops and seminars.

- ❖ S.A.E organized the 'Efficycle' workshop on 8 July 2017 at NCU. Coordinators of the workshop were Dr. Ashwini Sharma and Mr Gagan Baradia .
- ❖ Expert Team from IIT Delhi conducted a one day workshop on Virtual Labs and Practices for BTech 1st Year students, Depts of EECE, CSE&IT, ME and CEE on 8 September 2017. 219 students attended the sessions.
- ❖ The SAE Society of NCU conducted a workshop on 'Industrial Design for Engineers' on 12 September 2017. The workshop was conducted by Alumnus Mr Prabhat Tiwari (Class of 2013) Automobile Engineering.
- ❖ A Workshop on Virtual Labs (an initiative of MHRD under the National Mission on Education through ICT) was conducted by the expert team from IIT Delhi at NCU on 22 Feb 2018.
- ❖ Students from SOET and faculty members attended a one-day seminar on 'Journey of Science and Technology in India: A historical perspective' at National Institute of Plant and Genome Research (NIPGR), New Delhi on 2 September 2017. The seminar provided students and faculty a platform to interact with scientists such as Padma Bhushan awardee Dr Manju Sharma, Prof. Ajoy Ghatak (Chairman, NASI-Delhi chapter), Dr D. Kanjilal (Director-IUAC) and Dr Akhilesh Tyagi (Director-NIPGR). The event was coordinated by Dr Feras Al-Hakkak.
- ❖ A seminar on 'Renewable Skill Development' was organized jointly by the Department of ME and Skills Academy, Gurugram for over 60 mechanical, computer and electronics engineering students on 13 Feb 2018. The seminar created awareness about enhancing natural talents and capabilities to achieve goals. The seminar was coordinated by Dr Rohit Singh Lather, Associate

MOUS COLLABORATIONS WITH INDUSTRIES

The department has industrial internship collaboration with MACE. It has QARE modules, Some experiments that are part of course work are conducted with Beijing Wave Spectrum. Currently 8 [projects are being run with industrial association. Previous year the department entered 2 MoUs the details of which are given below:

Organisation	Date of MoU signed	Purpose and Activities	Number of students/teachers participated under MoUs
Maruti Center for Excellence (MACE)	11 April 2018	Collaborate in the field of Training & Development of the students through practical & theoretical trainings & through projects during the internships	Open for all the faculties and students of Department of Mechanical Engineering. Faculty Co-Ordinator : Mr A P Singh

Daikin Air-Conditioning India Pvt Ltd (DAIPL)	26 March 2018	To establish a 'Centre of Excellence' on HVAC Systems at the University that will impart practical skill training and industrial exposure to the students within the campus	Open for all the faculties and students of Department of Mechanical Engineering Faculty Co-Ordinator : Mr J P Dahiya

EXTERNSHIP DONE BY FACULTY

- ❖ Mr. Manoj K Gopaliya and Mr. Satnam Singh from the Mechanical Engineering Department of The NorthCap University have attended a two day externship at Federal Mogul, Bhiwadi Plant on 01/12/2017-02/12/2017. This plant is specially manufacturing valve seats and guides for car engines and exports to the automobile giants such as Maruti and Ford. During the interaction with HR manager, it was requested to conduct pre placement interviews for pre final year students and to engage some students on live industrial projects. This request is accepted and department is looking forward for the fruitful engagement in the near future.
- ❖ Faculty members Dr K Mathiyazhagan and Dr Arjyajyoti Goswami, Dept of Mechanical Engineering, were on externship in the National Physical Laboratory (NPL), New Delhi from 12-13 December 2017. They visited the Acoustics and Vibrations laboratory to see the facilities available and the type of work carried out by NPL. The lab provides calibration, testing services and technical advisory consultancy to various industries and institutions of the country. Dr Garg, Sr Scientist, Acoustics and Vibration Standards, NPL, expressed his interest in taking two students from NCU under this scheme. The team also discussed the possibilities of joint projects between NPL and NCU.

GUEST LECTURE

A total of 10 guest lectures were organised in the department in the previous year. Experts from Federal Mogul, /s Poly Plastic Industries Pvt Ltd, /s Poly Plastic Industries Pvt Ltd, Andritz Hydro etc delivered lectures on topics of their interest. The talks consisted of their experience in industry and possible career paths in their fields. Apart from talks the students had the chance to interact with experts from Life CNC Tools, Terra Motors, Emerson Cold Chain Centre etc. The details are given in Appendix 2_Guest Lectures.

1. Dr Rakesh Kumar, General Manager, Federal Mogul, Bhiwadi, Rajasthan delivered a lecture on 'Manufacturing through Power Metallurgy - A case from auto industry' to B Tech students on 23 August 2017.
2. The Department conducted an interactive session with Alumnus Mr Mehul Jain (Class of 2015), Piping Design Engineer, Jacobs Engineering, Gurugram on the topic 'A glimpse of EPCM industries' for 3rdYear students on 13 September 2017.
3. Department of ME conducted an interactive session with Alumnus Mr Gaurav Sharma, (Class of

- 2015), Associate Counsellor, Maruti Centre of Excellence, Manesar on the topic 'Lean Manufacturing System and its tools' for 3rd Year students on 4 October 2017.
4. A lecture on 'Injection Moulding' was delivered by Mr Gajender Soni, AGM (Plant Head), M/s Poly Plastic Industries Pvt Ltd, Bawal, Haryana to Final year students on 11 Oct. 2017.
 5. Mr B K Bhayana, DGM-Marketing, Delta Electronics India Pvt Ltd delivered a guest lecture on 'Mechatronics and Robotics for Industrial Processes' to B Tech Final year Mechanical Engineering students studying 'Mechatronics & Robotics (MEL459)' on 30 Oct 2017.
 6. The ISHRAE Society organized a lecture on 'Heat Load Calculation for Air Conditioners' for BTech Final Year students by Mr Sanjay Kumar Hans, Manager, Project Design Services & Technical Training at Emerson Cold Chain Centre, Gurugram on 16 Nov 2017.
 7. A team from Terra Motors (Japan's No 1 electric vehicle company), Gurugram visited NCU on 8 Feb 2018 in connection with a project titled 'Structural analysis of electric 3W chassis' submitted to Terra Motors for support by Dr Rohit Singh Lather, Mr Aditya Choudhary, and Mr Vaibhav Kaushik (BWS-Vibration Lab). Terra Motors has agreed to sponsor the project after finalizing the details of the vehicle
 8. Mr Siddharth Nakra, Director, Life CNC Tools, Faridabad, visited NCU on 9 Feb 2018 in connection with the project titled 'The Mango Project –Development of electric vehicle' submitted for support by Dr Rohit Singh Lather, Associate Professor. Mr Siddharth Nakra has agreed to sponsor the project after finalizing the details of the vehicle.
 9. Mr Sharad Mishra, Head, Human Resources; Mr Erich Plangger, Functional Leader-Operations and Mr Siegfried Sauseng, Chief Supervisor-Manufacturing, Andritz Hydro visited NCU on 21 March 2018 to initiate the process of skill development of BTech ME students (Class of 2018) for placement at Andritz Hydro.

SOL

In the National Law Schools Survey 2017 SOL was awarded 3rd Rank in the Northern Region and 8th Rank in the category of ‘Eminence’ by Global Human Resource Development Centre (GHRDC), New Delhi. It has been a delightful yet a rigorous joint effort on the part of the students and faculty who have relentlessly worked for the success of SOL. NCU's School of Law has been recognized as the Best Emerging Law School in India in the survey conducted by Careers 360 in January 2017. Besides academics, students participated in various co-curricular and extra-curricular activities organized across the country SOL pro-actively organized various national and international-level programmes on the campus. Students of 2012 – 17 batch received lucrative job offers at reputed law firms, corporate offices and LPOs. During the reporting year seminars and conferences organized by SOL brought together legal stalwarts from various areas of law to enhance the

understanding of law in the emerging and complex legal arena. To provide in depth understanding about pedagogy of research and teaching in the domain of Law, the Centre for Post-Graduate Legal Studies at SOL organized an FDP on 'Legal Research and Teaching Methodologies in Contemporary Era' from 5-10 June 2017. The aim of the FDP was to provide better understanding about various methods of research and to create awareness about the role of legal research in the development of law.

6.2.2 : Implementation of e-governance in areas of operations:

❖ Planning and Development

1. The University perspective plan was discussed during the Annual Academic Advisory Board meetings held on 24th Feb 2018. The outcomes identified for implementation during the course of the year on an ongoing basis. Various aspect discussed during the year 2018 are as under:-
 - a) The University undertook a major exercise in reviewing the curricular development and course design. Besides reducing the credit, it is to provide students the opportunity to develop wider range of transversal skills, including critical thinking, analytical reasoning and collaborative working. Leading industries such as Delta, Power Sources, Mitsubishi are currently providing cutting edge technology courses.
 - b) Commonality of the first year course in B.Tech. Programme. This shall facilitate, easy migration of students.
 - c) Introduction of Lateral Entry Scheme. Introduced Lateral Entry Scheme for B.Tech. programme from the Academic year 2018-19.
 - d) Value Added Curricular: To encourage new ideas students have been provided platform 'Tinkering Lab'.
 - e) Aim of Developing positive attitude and reduce negative energy & stress, the University has

established 'Thought Lab' which is being used by the students, faculty members & staff.

f) Office of International Relationship: A new office of International relationship has been opened:-

- To help for students guidance & admission abroad.
- Study India Programme
- Assist International students to take admission in our country.

2. Quality of Faculty

- As a policy, it has been decided in the implementation plan that all full time faculty members should be PhDs progressively in the next 5 years. Currently 45% of our faculty members are PhD qualified.
- Target upto 10% faculty to be from Industry, who have a proven track record.
- Develop Academic Leadership through a Leadership supply chain by selecting young faculty early in their career with a clear progression path from faculty to faculty coordinator to Heads and then to Pro Vice Chancellor.
- Ensure diversity of faculty, by recruiting.

3. Research Development to maximise opportunities for research by:

- Establishment of Centralised research lab.
- Vice Chancellor's Innovation fund to bring forth the best research projects.
- Performance based awards, which works as a research enabler with innovative incentives.
- Best research paper award.
- System of Budgetary demand.
- Establishment of Centre of Excellence, Daikin etc.
- Provide 24X7 access to e-resources to faculty & scholars.
- Establishment of NCUTC, to enhance consultancy of department.

g) Target that 15%.

❖ Administration

The University internal Organisation structure is well defined. Governing Body, Board of Management, Academic Council and Finance Committee are the four Statutory bodies with their specified roles, composition and meeting schedule. Issues flow upwards from departments to schools through Heads and Director, where detailed discussions bring out all aspects of all issues. Vice Chancellor is the head of both Academic Council and Board of Management which have members from the Deptt. (HoDs and faculty), thus providing continuity throughout the decision making process. Governing Body is the highest decision making body with Chancellor as its Chairman which provides directions, ratification and reviews the various decisions at the apex level. In addition an Academic Advisory Board, which is independent of the structure of the University, gives long term strategic advice on all academic matters and life at the University.

❖ Finance and Accounts

- A capital and revenue budget preparation is undertaken by the Chief Financial & Accounting Officer (CFAO) each year and monitored by the Finance Committee.
- The University has mechanism for Internal audit through the Finance Committee by the CFAO and through Chartered Accountant for external audits.
- The University is a self-financing institute and gets no grants from any source either from the State, Centre or UGC. The University has a Corpus Fund of INR 3.00 crores in the form of fixed deposits with the Govt. of Haryana.

b. Participation in NIRF : (Yes /No) Yes			
c. ISO Certification : (Yes /No) No			
d. NBA or any other quality audit : (Yes /No) No			
6.5.7 Number of Quality Initiatives undertaken during the year			
Year	Name of quality initiative by IQAC	Date & Duration of conducting activity	Number of participants
2017	Five IQAC meetings held since July 2017. The details are as follows: i. 6 th IQAC meeting	7 th July 2017	21
2017	ii. 7 th IQAC meeting	2 nd Sept 2017	21

2017	iii. 8 th IQAC meeting	25 th Nov 2017	20
2018	iv. 9 th IQAC meeting	22 nd Jan 2018	22
2018	v. 10 th IQAC meeting	24 th Mar 2018	21
2017	AQAR submitted for year 2016-17	19 th Sept 2017	-
2018	Participated in NIRF and achieved 1st Position (Engineering Category) among Private Universities in Delhi & Haryana and also featured in the Top 200 list of Universities of the country and continues to be leader amongst all Private Universities in Delhi & Haryana	Ranking 2018	-
2016-21	University is accredited by the National Assessment and Accreditation Council (NAAC)	For period 2016-2021	-
2017	Professional society – American Society for Quality. The events held so far are as follows:- i. ASQ Yellow Belt Certification Programme	5&6 Oct 2017	162

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period (from-to)	Participants	
		Female	Male
An event 'OPEN MIC' was organised by 'YUKTI' to focus on 'Women Safety and Empowerment'	6 September 2017	35	15
Up We Rise – A walk for Gender equality	8 March 2018	120 (Approx.)	80 (Approx.)

7.1.2 Environmental Consciousness and Sustainability/ Alternate Energy initiatives such as: E-Waste Management, Solar Energy, Science Day Celebration, Greenery, Rainwater Harvesting, ENACTUS, Wind Driven Exhaust etc.

Percentage of power requirement of the University met by the renewable energy sources: **90%**

7.1.3 Differently abled (Divyangjan) friendliness

Items Facilities	Yes/No	No. of Beneficiaries
Physical facilities	Yes	1
Provision for lift	Yes	1
Ramp/ Rails	Yes	1
Braille Software/facilities	No	1
Rest Rooms	Yes	1
Scribes for examination	No	1
Special skill development for differently abled students	No	1
Any other similar facility	Extra 20 mins/ hr for exams.	1

7.1.4 Inclusion and Situatedness

Enlist most important initiatives taken to address locational advantages and disadvantages during the year

Year	Number of initiatives to address locational advantages and disadvantages	Number of initiatives taken to engage with and contribute to local community	Date and duration of the initiative	Name of the initiative	Issues addressed	Number of participating students and staff

7.1.5 Human Values and Professional Ethics

Code of conduct (handbooks) for various stakeholders

Title	Date of Publication	Follow up (maximum 100 words each)
Ethics Policy	April 2016.	The NorthCap University is committed to the highest ethical and professional standards of conduct, in pursuit of its mission to provide rigorous high quality education to meet national needs and international standards. The statement of the Core values are; Integrity, Excellence, Accountability and respect.

7.1.6 Activities conducted for promotion of universal Values and Ethics		
Activity	Duration (from-----to-----)	Number of participants
<ul style="list-style-type: none"> • Activities like value cards given to the students to identify the most important values to lead a successful life and giving reasons for selection. Understanding the importance of values in functional areas of an organization. • Understanding the harmony in life and work-life, practicing workplace spirituality and mindfulness for peace and harmony. Differentiating between need and want, such and suvidha. • Project on corporate social responsibility initiated by students to understand and develop the desire to give back to the society by contributing time and efforts in various NGOs. • Guest lecture sessions on POSH Act and gender sensitivity to be more aware of the surroundings and workplace 	<p>July-Dec, 2017 Jan-Jun, 2018</p>	<p>731 30</p>
7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five)		
<ul style="list-style-type: none"> • NCU is an environmental friendly institution. A 150 KW rooftop solar PV system with a net metering facility has been installed to provide alternate source of power to the University in line with the State and National objectives of using solar energy. • In order to ensure zero wastage of water, we have installed an effective rain water harvesting system as well as sewage and waste water treatment plants. • NCU is committed to the green movement and campus-wide initiatives at reducing, reusing and recycling are helping it achieve a green code of living. A Recycling Machine at the University converts used PET bottles into T-shirts, bag packs, caps etc. • To check the emission levels of vehicles parked at the University, a Pollution Checking Centre has recently been set up inside the campus. • The University is surrounded by lush green gardens and this is the 16th consecutive year when the University has been declared the winner of the HUDA garden competition in Gurugram. 		

7.2 Best Practices
<p>Describe at least two institutional best practices</p> <p>Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link</p> <p>http://www.ncuindia.edu/images/Best%20Practices%20&%20Institutional%20Distinctiveness.pdf</p> <ul style="list-style-type: none"> • VC Innovation fund is provided to student projects having a new and applicable idea in order to encourage them to extend the scope of their work and to come out with a product that can have commercial significance. The VC Innovation Fund is open to projects from all departments. http://www.ncuindia.edu/VC-Innovation-Fund/ • The Mentor-Mentee scheme for the faculty members by renowned external mentors and the students by the internal experienced faculty. <p>Some of the other practices being followed in the university are as follows:-</p> <ul style="list-style-type: none"> • The comprehensive faculty assessment & development process–Appraisal/ FDP/ external exposure etc. • E-learning & E-Portfolio for students.

- Compulsory of Employability assessment tests.
- One foreign language, French, German, Spanish for each student before the pass out.
- Tinkering Lab, Thought Lab, Incubation centre, NavIC Lab & Industry projects.
- Centre of Excellence with Maruti, Daikin, ISRO Ahmedabad & Centre for Development in Energy and Environment Policy (CDEEP).
- LMS, an online platform for uploading course material and assignments. Separate portals for each course is created in the LMS by the faculty who is taking the course. The students have all round access to the LMS window through which they can avail the course material.
- Previous years question papers are uploaded regularly in the LMS for the benefit of the students.
<http://lmsncu.ncuindia.edu/login/index.php>
- Mapping of co-curricular activities with courses
- Externship
- Peer-Tutors Program
- Value Added Courses
- Introduction of Lab Project(Mini Project)
- Collaboration with IITS
 - IIT Delhi: Virtual Labs
 - IIT Madras: QEEE
 - IIT Bombay: Spoken Tutorial
- First year summer projects
- Class Counsellors

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust. Provide the weblink of the institution in not more than 500 words

<http://www.ncuindia.edu/images/Best%20Practices%20&%20Institutional%20Distinctiveness.pdf>

- A stringent faculty selection process with good compensation and enabling HR policies, which have attracted talented faculty.
- Flexibility to review curriculum on a regular basis through a well-established process of making academic interface, vetting through BOS and Academic Council.
- A choice based credit system, with continuous evaluation relative grading, duly moderated through a credible examination system.
- A system driven university with ERP modules for all major functions of the University.
- A good placement record, with 90% of the eligible students getting placed.
- A very safe environment for girl students and women employees. Not a single student of ragging in the last 22 years of its existence.
- Best infrastructure by way of air conditioned class rooms, State of Art auditorium, Wi-Fi campus and a robust Learning Management System.
- Renewal Energy and Green campus with Solar Park of 15KW.
- Rain harvesting and ETP facility.

8. Future Plans of action for next academic year (500 words)

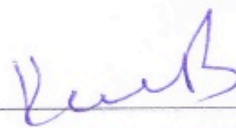

- 1) Regular revision of curriculum to align it with the global practices viz. MOOC, experiential learning, context learning and outcome & project based education. Study of 2 MOOC courses & experiential learning to continue and faculty are engaged & trained.
- 2) Implementation of Parent Information System and creation of Student E-portfolio.
- 3) Expand the Incubation Centre to encourage innovative activities & socially relevant projects amongst students.. Currently, the projects undertaken are Online Food Aggregator, Smart Watch, Fruit Freshness System, E-Medi Box and SAHAYAM (Drone System).
- 4) To enhance quality research output by bringing research achievement and attainment of faculty into a proper appraisal and reward system.
- 5) Create Centres of Excellence for cutting edge technology transfer from Industry to students. A tie-up with MAGES Excellence, Singapore for new technologies e.g. AR/VR, AI, Robotics done. Other potentials areas like renewable energy , cognitive sciences being explored.
- 6) Upskilling of faculty through industry externships and association with industry experts. .
- 7) To establish processes for internationalization of education at University by exchange of students and faculty along with study-abroad and study-India programmes. Tie-ups being expanded to include Universities like Michigan Technological University (MTU), USA and SIT, Tokyo Japan.
- 8) To increase project submission to funding agencies for socially relevant projects. Conducting workshops, awareness camps and participation of students & faculty in Government sponsored social programmes.like Swaachh Bharat etc.
- 9) To enhance Alumni Relationship activities to get visibility Pan-India and International.
- 10) To launch new academic programmes in areas like Liberal Arts, Augmented Reality and Fine Arts etc.
- 11) Establish IPR cell to facilitate our faculty to take research work to logical end and encourage patents and technology transfers for societal applications.
- 12) To inculcate ethics and conflict resolution in mind, University established Thought Lab in association with Brahmakumaris and integrated sessions are planned in all programmes.

1 Tutorial Period	1 Credit	50 - 60 Min	20-30	
1 Practical Period	0.5 Credit	50 - 60 Min	20-30	
Any lecture class of 2 or more sections with combined strength between 60 to 90 will be treated as 1.5 credits				

GUIDELINES

- Every Professor/ Associate Professor will be engaged for 2 hrs per week of lab supervision to guide and train Asstt Prof and Teaching & Research Associate(s). A monthly record is to be kept by Prof/ Associate Prof, specifying the observations and suggestions regarding lab /practical development to track the progress and performance of Asstt Prof and Teaching & Research Associate(s), which will be discussed during the Annual Appraisal Process.
- Every Sr Prof/Professor must be engaged for at least 1 hr per week of supervision to PhD scholars (expected to guide up to 7 PhD scholars). A detailed monthly report is to be submitted to RDIL Office.
- Every faculty, as far as possible should take up to 2 different lecture courses in a semester.
- Faculty will not be allotted or engaged in more than three lectures in a day. Deviation, if any, with reasons must be approved by DOS and VC.
- Every Faculty shall prepare, update and review LMS regularly for each course on a weekly/ fortnightly basis.

12. Course Outcomes (COs)	
Possible usefulness of this course after its completion i.e. how this course will be practically useful to him once it is completed	
CO 1	Understand the various steps to implement genetic algorithm for a given problem.
CO 2	Calculate the crossover probability and mutation probability in GA.
CO 3	Plan and design a genetic algorithm for a travelling salesman problem.
CO 4	Solve problems using GA.
CO 5	
CO 6	
CO 7	
CO 8	

13. UNIT WISE DETAILS		No. of Units: 7
Unit Number: 1	Title: Introduction to Evolutionary Computation	
Content Summary: Biological and artificial evolution, EC and AI, Different historical branches of EC. e.g. GA's, EP, ES, GP etc, a simple evolutionary algorithm.		
Outcomes Covered: (e.g., CO 1, CO 3, CO 4 etc): CO1 & CO2		
Unit Number: 2	Title: Search Operators	
Content Summary: Recombination / crossover for strings, one point, multi-point, uniform crossover, mutation eg. bit-flipping, crossover & mutation rates, recombination for real-value representations		
Outcomes Covered: CO1 and CO4		
Unit Number: 3	Title: Selection Schemes	
Content Summary: Fitness proportional selection, fitness scaling, ranking, linear, power, exponential & other ranking methods, tournament selection, selection pressure & its impact on ES.		
Outcomes Covered: CO2		
Unit Number: 4	Title: Search Operators & Representations	
Content Summary: Mixing different search operators, an analogy of self-adaptive mutations, the importance of representations eg. binary v/s Gray coding, adaptive representations.		
Outcomes Covered: CO2 & CO3		
Unit Number: 5	Title: Evolutionary Combinatorial Optimisation,	
Content Summary: Niching and Speciation Evolutionary algorithms for TSPs, hybrid evolutionary and local search algorithms, fitness sharing, crowding & mating restriction.		
Outcomes Covered: CO3		
Unit Number: 6	Title: Constraint Handling	
Content Summary: Penalty methods, repair methods etc. Constraint handling analysis.		
Outcomes Covered: CO4		
Unit Number: 7	Title: Genetic programming & Software Simulation	
Content Summary: Major Steps in GA, functional & terminal sets, initialisation, crossover, mutation, fitness evaluations, current applications, Simulation Software, Case studies & analysis in Real Time Situations.		
Outcomes Covered: CO4
