**Sakshi Pandita**

Placed with: Deloitte  
USI Advisory  
Batch 2016-20  
BTech - CSE

I am Sakshi Pandita, a student of The NorthCap University. I got placed in DELOITTE (Rs 7.60 LPA). Deloitte, being a dream company for many, I was fortunate enough to get selected.

First of all we had to clear the Aptitude round followed by GD and then 2 rounds of interview and I was confident enough throughout which helped me perform well in my interviews.

Each word in my resume spoke confidence. Besides scoring good in academics I tried to participate in extracurricular activities too which helped me improve my skills.

I had taken a lot of help from SPA Cell, faculty members and seniors who guided me throughout the process. I am thankful to the University for giving me this opportunity and making my dream come true.
