Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>Online education at The NorthCap University is offered to students in various forms for the past many years, though it has been formalized in last 4 years after UGC guidelines for MOOCs were released where universities and institutions are advised to offered up to 20% of curriculum through MOOCs. In 2018, NCU, through its Academic Council approved the inclusion of 20% of courses in the form of online courses in all programs of University through different portals. Prior to this, online course material and modules were given to students over Learning Management System (LMS), QEEE, Spoken tutorials which also consisted of the links of online courses and modules covering the content of the courses and continues to supports the courses currently. Number of students rose from around 500 (in 10 courses) in 2017 to 2500 (in more than 30 courses and 20 modules) in 2021 learning through online education.</p> <p>The online courses to our students are offered through MHRD MOOC portals like NPTEL, Swayam, e-Pathshala etc. for standard curriculum courses. Additionally, beyond the curriculum skill based and specialization courses are also offered through various internationally renowned portals like Coursera, edx, Udemy and so on. Further modular online courses to supplement learning and certification are offered through collaborative programs like Spoken Tutorials (IIT-B) and QEEE(IIT-M), and other organizations like Coding Ninja and NSDC (eduspark).</p> <p>The student registers and completes the course on his own by self study, takes the online MOOC exam and certificates. His score and credits are transferred to his transcript. In case the student needs help in completing the online course a faculty (course coordinator) is assigned to the course. The student completes his continuous assessment through online portal and the grades are integrated into the subject grade awarded by the University. In case the students are not able to take final exam on the portal, exams are conducted at the University for such courses.</p> <p>Apart from this, students also register for MOOC courses in the complementary mode (additional to regular on-campus courses) to gain further insights into the subject. The faculty encourages them and keeps a track of their completion.</p> <p>The following measures are taken to ensure that student completes the syllabus of the course:</p> <ol style="list-style-type: none"> The student is required to fill an application form stating the MOOC courses which he/she is enrolling into to ensure the students has pre-requisite knowledge and University is informed properly about registration. A course coordinator is allotted to each MOOC course offered to students who also acts as a facilitator. The course coordinator keeps the track of submission of all assignments and quizzes of MOOC courses. Every department has a department MOOC coordinator which keeps a record of all MOOC courses taken by students. Students attend doubt clearing sessions during facilitation session/ classes held by coordinators. The scores and the credits are transferred to student's transcript based on NCU SOP. All NPTEL, SWAYAM and other approved portals' MOOC courses are conducted as per UGC guidelines.
3. The period of delay in completion of syllabus (in months).	0
4. The period of delay in conducting exams (in months).	0

Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
Swayam	312	28	994
Coursera	442	3	1105
Cybrary	58	1	0
Udemy	3	3	0
5. No. of courses developed and available online on Swayam platform by your institution faculty		0
