LIVE IT AT NCU

Campus life at NCU is about sustainability, vibrancy, collaboration, and all-round learning. Students have complete freedom to engage in their passion, push their horizons further out, and learn life skills in addition to technical skills.
DON’T THEORIZE ACTION-FIRST EDUCATION
IMMERSE IN IT, AT NCU

Activities of the student-run Professional Societies are aimed at providing the students with exposure to their chosen domain. These societies organize events throughout the year that help students to apply and connect their academic learning with real-world settings.
Opportunities like event management and anchoring at NCU helped sharpen my personality aiding my transition into my first placement with a market research startup.

**Anjali Tanwar**  
B.Tech CSE, Batch: 2019  
Assistant Manager, Citi India  
ID: linkedin.com/in/anjali-tanwar-5b6a07191

Moving forward, I do not want to forget the contribution made by my past institution, The NorthCap University. I express my tremendous gratitude. It would certainly have not been possible without the constant assistance from the faculty and staff. Looking forward to a great learning experience.

**Aparna Sharma**  
B.Tech ECE, Batch: 2020  
Pursuing Masters in Engineering at Dalhousie University, Canada  
ID: linkedin.com/in/aparna-sharma-745976175

The ECE faculty at NCU is highly skilled. During my time there, I developed a predilection towards digital and analog electronics. And with the help of the faculty, I was able to develop a strong grasp of it. I also dabbled in VLSI, for which the University provides a very conducive environment. This ultimately led me to bag a position at Intel Corporation, Ireland after graduation.

**Sidharth Sharma**  
B.Tech. ECE, Batch: 2019  
Deep Learning R&D Engineer, Intel Corporation, Ireland

The faculty at The NorthCap University has guided me in taking crucial career decisions at the right time that paved my path to an amazing career. I was fortunate enough to be part of many curricular and extra-curricular activities that helped shape my overall personality as a professional.

I feel honoured to be a student at The NorthCap University. I’m grateful to all my mentors and teachers for supporting and guiding us constantly. They provide immense exposure to students to come out of their shells and explore the world. The School of Management provides us with several certified activities and webinars to enhance our skills base. Also, the focus is not just on academics but also on providing equal importance to community service and the student's skill upgradation.

PURVI JAIN
BA (Hons.) Psychology, Batch: 2023

Good buildings are reflective of the sharp minds behind the drawing board. My journey from a qualified engineer from NCU to a promising entrepreneur has been an enriching one. This is one story I am extremely proud of.

Akshay Tyagi
B.Tech. Civil Engineering, Batch of 2011
Founder, JoyHomes LLP
ID: linkedin.com/in/akshayjoyhomes-9334b9112

The NorthCap University offered me an ideal growth platform where I could express myself and identify my strengths and weaknesses before entering into the corporate world. Moreover, I was impressed by the lean hierarchical structure at NCU that made it easy for students to reach out to the faculty members. The university is tailoring its programs based on the demand of Industry 4.0, not only in terms of operations but also with respect to new ideas and thoughts.

The NorthCap University has played a pivotal role in my growth. I was fortunate enough to be provided an opportunity to present my skills both within India and overseas. I owe my success to NCU.

SHIVAM NAUTIYAL
B.Tech Mechanical Engineering, Batch of 2018
Solution Delivery Associate, Deloitte
ID: linkedin.com/in/shivam-nautiyal-91880b148

My experience here so far has been splendid. It has been two years since I have joined NCU and I have learnt a lot, not just academically but in all other aspects of life and particularly career development. Our faculty explicitly trust us and support us in reaching new heights, letting students fully express themselves. This relationship has helped me to excel in my area of interest.

APOORV AGRAWAL
BA (Hons.) Psychology, Batch of 2022
ID: linkedin.com/in/apoorv-agrawal-4214571a7

I got help at almost every step at NCU. I knew nothing about coding before I joined NCU but started liking it so much that I wrote code for 13 hours while doing an internship with Microsoft! It wasn’t just technical skills though – NCU helped me develop a lot of necessary soft skills too.

Honey Kakkar
B.Tech CSE, Batch of 2013
Software Development Engineer at Amazon Web Services
ID: linkedin.com/in/honeykakkar

At NCU, I could express my perspective in debates, contribute to inter-college events and even play cricket on an amazing pitch. Four years here taught me how to adapt to situations and solve issues with the least number of resources.
