

International Meta Game Jam

MAYDAY 1.0

Powered By XR Central

Organized by
The NorthCap University, CSE, Game Mantra Club

About the University

The NorthCap University (NCU), founded in 1996 as Institute of Technology and Management (ITM) is known for delivering high quality of education that transforms lives and forges alliances to handle the new world order locally and globally. Over the last 25 years, the institute has transformed into a multi-disciplinary university and a destination of choice, offering industry and socially relevant undergraduate, postgraduate, and doctoral degree programs in Engineering, Applied Sciences, Management, Liberal Arts and Law. NCU has earned itself a place among the top universities in the world for its academic offerings with a perfect score of 5 stars in Teaching, Employability, Academic Development, Online Learning, and Inclusiveness and an overall rating of 4 stars by the prestigious Quacquarelli Symonds (QS) Stars Ratings, the world's largest rating agency. Further, The School of Engineering and Technology at The NorthCap University has been ranked amongst the Top 100 Engineering Institutions across the country in All India NIRF Ranking 2021. NCU has been rated among the BEST PERFORMING Universities in the category of 'Private-Self-Financed University' in the Atal Rankings of Institutions on Innovation & Achievements (ARIIA). The NorthCap University has been accredited by National Assessment and Accreditation Council (NAAC) and the Assessment Services to International Colleges (ASIC), UK in the category of 'Premier' Universities with 'Commendable' Grades. NCU has consistently achieved top rankings in different surveys for a good placement record of students and imparts value-based education.

About the Event

The Department of Computer Science and Engineering, NorthCap University is organizing an International META GAME JAM "MayDay 1.0" where game developers and game enthusiasts from all over the world will come together to create games to let their creativity flow. Game Jam will be a **48 hours** long competition where the participants have to make a functioning **2D/3D video game** from scratch using any platform on the given theme. This International Game Jam is to promote and educate the younger generation in the field of game development , **AR, VR & XR** and bring to their focus the career options and opportunities. The Jam will be held in both **off-line and on-line** mediums and will include informative and interactive activities such as workshops by industry experts. The whole session will be live streamed on **The NorthCap University** YouTube channel.
